<sup>1</sup> “Corporate governance statement” is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

<sup>2</sup> Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

The Board believes that good corporate governance helps to ensure the future success of the Company, adds value to stakeholders and enhances investor confidence.

The ASX Listing Rules require listed companies to prepare a statement disclosing the extent to which they have complied with the recommendations of the ASX Corporate Governance Council (**Recommendations**) during the reporting period. The Recommendations are not prescriptive, such that if a company considers a recommendation to be inappropriate having regard to its own circumstances, it has the flexibility not to follow it. Where a company has not followed all the Recommendations, it must identify which Recommendations have not been followed and provide reasons for not following them.

This Corporate Governance Statement (**Statement**) discloses the extent to which the Company has followed the Recommendations, or where appropriate, indicates a departure from the Recommendations with an explanation. This Statement should be read in conjunction with the material on our website <https://investorhub.neurizon.com/governance>, including the 2025 Annual Report and all Company's policies contained herein.

This Statement is current as at 25 August 2025 and has been approved by the Board of Directors of Neurizon Therapeutics Limited.

The Board Charter sets out matters including the specific roles and responsibilities of the Board and management, requirements as to the Board's composition, the roles and responsibilities of the Chair and Company Secretary, and the establishment, operation and management of Board Committees.

The Board delegates responsibility for the day-to-day management of the Company and its business to the Chief Executive Officer (**CEO**) and Chief Operating Officer (**COO**). The Board maintains ultimate responsibility for strategy, control and risk profile of the Group.

#### **Recommendation 1.2: Appointment of Directors**

The Company undertakes checks on any person who is being considered as a director. These checks may include good fame and character, experience, education and financial history and background.

All material information relevant to a decision on whether or not to elect or re-elect a Director is

provided to security holders in a Notice of Meeting pursuant to which the resolution to elect or re-elect a Director will be voted on.

### **Recommendation 1.3: Appointment Terms**

The Company's Board Charter requires that the terms and conditions of appointment of a Director be confirmed in a formal letter of appointment or a service contract.

Specifically:

- the Non-Executive Directors have each executed a letter of appointment setting out the terms and conditions of their appointment; and
- Senior Executives of the Company have entered into service contracts, setting out the terms and conditions of their employment.

The terms and conditions of the appointment are consistent with the processes in the Constitution, the *Corporations Act 2001* (Cth) and the ASX Listing Rules, including, without limitation, the requirement to disclose Directors' interests and any matters which may affect the Director's independence and the requirement to comply with the Company's policies.

Each Director and officer of the Company has a Deed of Access, Insurance and Indemnity, under which they are indemnified against liability in connection with their role as an officer of the Company and Neurizon is required to maintain a Directors' and officers' insurance policy.

A summary of key terms of the service agreements and letters of appointment are disclosed in the Remuneration Report section of the Company's Annual Report.

### **Recommendation 1.4: Company Secretary**

The Board is supported by the Company Secretary, whose role includes supporting the Board on governance matters, assisting the Board with meetings and Directors' duties, and acting as an interface between the Board and Senior Executives across the Group.

The Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.

Details regarding our Company Secretary, including experience and qualifications, are set out in the Directors' Report in our 2025 Annual Report.

### **Recommendation 1.5: Diversity Policy**

The Company's workforce, including employees, contractors, management and the Board, is made up of individuals with diverse skills, values, backgrounds and experiences that bring to the Company the skills and expertise that are required for the Company to enhance its performance.

The Company values diversity and recognises the benefit it can bring in achieving the Company's goals. To this end, the Company has a Diversity Policy Charter that reflects its commitments and objectives, and includes requirements for the Board to annually review performance against these objectives, as part of its annual performance assessment.

A copy of the Diversity Policy is available in the Corporate Governance section of the Company's website at <https://investorhub.neurizon.com/governance>.

- discussion by the Board of any areas and actions for improvement.

Individual Directors' performance is also assessed through open and frank discussions between the Chair of Board. Similarly, evaluation results for the Chair are provided to the Board for discussion.

The performance assessment took place in June 2025. An analysis of the data collected indicated that the Board is functioning effectively against the majority of its criteria. It was also noted that there were some opportunities identified to improve Board effectiveness.

#### **Recommendation 1.7: Senior Executive Performance Assessment**

The Board is committed to evaluating the performance of the Senior Executives. In accordance with the Company's Board Charter, each year the Board will oversee the performance evaluation of the executive team, including the MD and/or CEO, and disclose whether the performance evaluation of the executive team has been undertaken for that year. This evaluation is based on specific criteria, including the business performance of the Company and its subsidiaries, whether strategic objectives are being achieved and the development of management and personnel.

Senior Executives are appointed by the Managing Director and their Key Performance Indicators (KPI's) contain specific financial and non-financial objectives. These KPI's are reviewed annually by the MD. The performance of each Senior Executive against these objectives is evaluated annually.
