¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

1.2 Structure and Composition of the Board

The Board currently comprises four directors, all of whom are non-executive. The Board regularly reviews the independence of each non-executive director. The Board's assessment of independence and the criteria by which it determines the materiality of any facts, information or circumstances is formed by having regard to the ASX Principles.

Those non-executive directors with shareholdings in the Company of less than 5% and who are not associated with any major shareholder are classified as independent.

As of the date of the 2025 Annual Report, three of the four directors were considered to be independent, including the Chair of the Board.

The Board is of the view that the current directors possess a broad mix of experience and skills across a number of industries and sectors. This mix of skills and experience is considered appropriate to enable the Board to discharge its responsibilities and deliver the Company's strategy. Where a candidate is recommended by the Nomination Committee, the Board will assess that candidate's suitability against a range of criteria to ensure the candidate's skills augment those of the existing Board. The Company also conducts appropriate reference checks before a candidate is recommended to the Board. If the criteria are met and the Board appoints the candidate as a director, the director will enter into a written contract with the Company. The director must then seek to have their appointment approved by shareholders at the Company's next Annual General Meeting.
