

YUINMERY AIRCORE DRILLING PROGRAM COMMENCING 9 SEPTEMBER 2025

SUMMARY

Empire Resources Limited (ASX: ERL; “Empire” or the “Company”) is pleased to announce the commencement of a ~2000m (39 hole) air core (AC) program at the Company’s Yuinmery Copper-Gold Project.

The AC drilling is the result of a field assessment conducted by the Empire consultant geologists last month. Several prospects including Just Desserts-Trajan and YT01¹ were highlighted in regards to testing for new Cu-Au mineralisation. In addition, shallow drilling of surface gossans at Marcus and Lorne will also be completed.

The program is expected to take 7-10 days to complete.
