

## SUCCESSFUL \$3M PLACEMENT TO ACCELERATE GOLD & IRON ORE EXPLORATION

### HIGHLIGHTS

- Firm commitments received to raise \$3.0 million (before costs) via a placement at \$0.22 per share to new and existing sophisticated and institutional investors
- Cornerstone commitments secured from major shareholder Yandal Investments Pty Ltd (Mark Creasy) and prominent resource focused institutional investor Lion Selection Group (ASX: LSX)
- Proceeds to be used accelerating exploration activities at the Newman Gold & Iron Ore Project and Mallina Gold Project
- Peregrine is well-funded with a pro-forma cash position of over \$5 million following completion of the Placement<sup>1</sup>
- Strong news flow planned to the end of 2025 including maiden drilling program at Mallina, RC drill testing of high priority gold and iron ore prospects at the Newman Project, and ongoing CID target generation activities in preparation for initial drill testing

**Peregrine Gold Limited** (“Peregrine” or the “Company”) (ASX: PGD) is pleased to announce it has secured firm commitments to raise \$3.0 million (before costs) through a placement of fully paid ordinary shares (“New Shares”) to new and existing sophisticated and professional investors (“Placement”).

The Placement was cornerstoned by Peregrine’s largest shareholder, Yandal Investments Pty Ltd and several high-quality institutional investors, and was also well supported by its existing shareholders.

The successful Placement significantly strengthens Peregrine’s share register providing a clear endorsement of the Company’s aggressive exploration strategy. The funds will be used to accelerate exploration at the Newman Gold and Iron Ore Project, as well as the Mallina Gold Project, both located north-west Western Australia.

At completion of the Placement, Peregrine’s strengthened balance sheet provides a clear platform for growth as the Company pursues further exploration success within its 100% owned, high-quality WA gold and iron ore portfolio.
