

Australian Securities Exchange Announcement

5 September 2025

King River Resources Ltd (ASX:KRR) (King River or the Company) is pleased to announce the appointment of Mr Graham Gadsby as Managing Director of King River commencing 14 October 2025.

Mr Gadsby is an experienced Senior Executive and Geologist. He holds a Master of Science degree in Mining Geology from Camborne School of Mines and a Bachelor of Science degree in Exploration and Resource Geology from Cardiff University.

Prior to joining King River, Mr. Gadsby spent seven years at Spartan Resources Limited, where he held senior roles of both General Manager Operations and Chief Geologist. His work was instrumental in the exploration and development of gold projects within Western Australia, leading to the discovery of the significant Never Never and Pepper gold deposits.

During his time with Spartan Resources, Mr Gadsby role was pivotal in many areas. He was responsible for applying his hands-on experience and strong leadership to guide the company's successful turnaround, and helping it relist on the ASX after a difficult period. Subsequently, he took on the responsibility of managing the exploration efforts, that led to the major discovery and rapid development of the high-grade Never Never and Pepper gold deposits. This significant find was crucial in securing the company's future and ultimate merger with Ramelius Resources.

Mr. Gadsby offers King River a valuable skill set shaped by his experience in both mineral exploration and mining operations, having worked on projects from their earliest stages to full-scale production. His leadership and understanding of the industry will guide the company's future and driving its growth.

King River's Chairman Anthony Barton said:

"The Board are delighted to welcome Graham Gadsby as Managing Director of King River. The appointment is a significant step forward for the Company and Graham's extensive mineral experience and his past achievements with Spartan Resources provides King River with the leadership and skills to take the Company forward. Graham's focus will be to apply his experience in both mineral exploration and business development to advance King River's prospects and chase new discoveries with a clear ambition to maximise value for our shareholders."

In accordance with ASX Listing Rule 3.16.4, the Company summarises the material terms of Mr Gadsby's employment agreement in Annexure A to this announcement.

This announcement was authorised for release by the Board of King River Resources Limited.
