

Change of Director Interest

Turaco Gold Limited (ASX | TCG) (**'Turaco'** or the **'Company'**) advises that Managing Director, Mr Justin Tremain, has sold 2.4 million Turaco shares at an average price of 45.3 cents, with the proceeds to be used to meet personal obligations. When seeking approval from the sale in accordance with the Company's Securities Trading Policy, Mr Tremain advised the Board that he has no current intention to sell any further shares in the medium term.

The sale represents less than 10% of his holding (on a fully diluted basis) which he has acquired through participation in share placements and long-term incentives since his appointment as Managing Director just over 4 years ago. During this period, Mr Tremain has never been awarded any short-term cash incentives and the Company's share price has appreciated 10-fold from 4.5 cents to 45 cents, market capitalisation has grown from A\$15 million to A\$450 million, with the Company progressing from having no JORC resources to the current 3.55 million ounces (refer Appendix One).

Mr Tremain is fully committed to Turaco and to the growth and development of the Company's Afema Gold Project in Cote d'Ivoire and continues to hold 29.8 million shares and incentive rights.
