

Further A\$0.6m of funds to be raised through the exercise of options by Harrington

- Harrington have confirmed their intention to **exercise 11,754,015 of its options**
- The early exercise of Harrington's options **raises approximately A\$0.6m in cash** for KALiNA, further **strengthening the Company's balance sheet**

KALiNA Power Limited (ASX: KPO, "KALiNA" or the "Company") is pleased to announce that it has received confirmation that its largest shareholder, global fund manager Harrington Global Opportunities Fund ("Harrington"), intends to exercise 11,754,015 of its options (exercise price A\$0.05, expiry 30 August 2017), representing just less than half of the options it currently holds.

Harrington is electing to exercise the options earlier than the expiry date of 30 August 2017. The exercise of the options raises approximately A\$0.6m in cash for KALiNA. These additional proceeds strengthen the balance sheet and ensures the Company is well positioned to pursue the rapid execution of KALiNA Cycle® projects.

"Harrington have continued to be very supportive of the Company and of management's ability to execute the business plan", said Ross MacLachlan, CEO and MD of KALiNA. "They believe that increasing our access to capital through its early exercise of options will add to the financial health of the Company and convey an expression of their confidence and ongoing commitment to the success of KALiNA."

For Harrington to be able to exercise options without increasing its voting power in the issued capital of the Company in contravention of the Corporations Act (given they hold over 20% of the Company's issued capital), Harrington first sold an equivalent number of shares. Attached is the notice of change of interest of substantial holder from Harrington reporting that they have already sold 11,754,015 ordinary shares.
