ASX Release
07 November 2016

General Meeting

- Reduction of number of shares
- Change of Name

Sovereign Gold Company Limited (ASX: SOC) (**Sovereign** or the **Company**) advises that the Board has resolved to seek shareholder approval for a consolidation of the Company's shares and a Change of Company Name.

The meeting is to be held on 8 December 2016.

Consolidation

It is proposed to consolidate Sovereign share capital through the conversion of every eight (8) Sovereign ordinary shares into one (1) Sovereign ordinary share.

The aim of the share consolidation is to ensure that the number of shares on issue and trading price of Sovereign shares is at a level broadly comparable to Sovereign's peer group of companies.

The proposed share consolidation will reduce the number of Sovereign ordinary shares on issue as follows (subject to rounding):

	Current Number of Shares on Issue	Number of Shares on Issue Post Consolidation
No Shares on issue	1,416,260,992	177,032,624

Having regard to the ASX Listing Rules, all convertible securities on issue will either be consolidated on the same basis as the Company's ordinary shares or the terms adjusted, so that the number of ordinary shares to be provided if the share rights vest will reflect the impact of share consolidation, with the necessary adjustments to be made to any applicable exercise or conversion price or number of securities issued on exercise or conversion.

Change of Name and ASX Code

It is proposed to change the name of the Company to **Force Commodities Limited**, as the Board believes that this name better reflects the nature and strategic value of the operations of the Company.

If shareholders approve the change of name the Company's ASX code will change to "4CE".

Attached is the Notice of Meeting and Explanatory Statement.

7 November 2016

This Notice of Meeting is accompanied by an Explanatory Statement that explains the purpose of the Meeting and the resolutions to be considered at the Meeting.

EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide shareholders of Sovereign Gold Company Limited (**the Company** or **Sovereign**) with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of General Meeting of the Company.

The directors recommend that shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

If you have any queries regarding the matters set out in this Explanatory Statement or the preceding Notice please contact the Company or your professional advisor.

1. Resolution 1: Consolidation Resolution

1.1 The Proposal

Sovereign proposes to consolidate Sovereign share capital through the conversion of every eight (8) Sovereign ordinary shares into one (1) Sovereign ordinary share.

Under section 254H of the Corporations Act, a company may consolidate its shares if the consolidation is approved by an ordinary resolution of shareholders at a general meeting.

If the consolidation is approved, the consolidation will take effect on and from 14 December 2016.

1.2 Treatment of Fractions

Where the consolidation of a shareholder's holding results in an entitlement to a fraction of a share, the fraction will be rounded up to the next whole number of shares.

Where the Directors form the opinion that shareholdings have been split or aggregated to obtain the benefit of rounding, transfers of shares and aggregated parcels of shares may be disregarded for the purpose of rounding.

1.3 Reasons for Consolidation

The aim of the share consolidation is to ensure that the number of shares on issue and trading price of Sovereign shares is at a level broadly comparable to Sovereign's peer group of companies.

1.4 Effect of Consolidation - Summary

The proposed share consolidation will reduce the number of Sovereign ordinary shares on issue as follows (subject to rounding):

	Current Number of Shares on Issue	Number of Shares on Issue Post Consolidation
No Shares on issue at the date of this Notice of Meeting	1,416,260,992	177,032,624

As the share consolidation applies equally to all Sovereign shareholders, individual shareholdings will be reduced in the same ratio as the total number of Sovereign shares (subject only to the rounding of fractions). It follows that the consolidation will have no material effect on the percentage interest of each individual Sovereign shareholder in Sovereign.

Similarly, the aggregate value of each Sovereign shareholder's holding (and the Company's market capitalisation) should not change other than minor changes as a result of rounding - as

a result of the share consolidation alone (that is, assuming no other market movements or impacts occur).

Shareholders should note that the reduction of share capital, if approved, would also have an effect on Sovereign share price. The price per share can be expected to increase to reflect the reduced number of shares on issue.

If the Consolidation Resolution is passed and the conditions to its implementation are satisfied, then the Consolidation will be implemented and binding upon all Sovereign Shareholders, regardless of how (or if) they vote on the resolution.

1.5 Treatment of Convertible Securities

Having regard to the ASX Listing Rules, all convertible securities on issue will either be consolidated on the same basis as the Company's ordinary shares or the terms adjusted, so that the number of ordinary shares to be provided if the share rights vest will reflect the impact of share consolidation, with the necessary adjustments to be made to any applicable exercise or conversion price or number of securities issued on exercise or conversion.

1.6 Timetable for Consolidation

Set out below is an indicative timetable for the consolidation. These indicative dates are subject to change at the Board's discretion (subject to the Listing Rules).

Registration of securities on a post-consolidated basis	Wednesday, 14 December 2016

1.7 Tax implications for Shareholders

The summary in this section is general in nature. In addition, particular taxation implications will depend on the circumstances of each shareholder. Accordingly, shareholders are encouraged to seek their own professional advice in relation to their tax position.

Neither Sovereign nor any of its officers, employees or advisers assumes any liability or responsibility for advising shareholders members about the tax consequences for them from the proposed share consolidation.

The share consolidation will be undertaken in accordance with section 254H of the Corporations Act. Subject only to rounding, there will be no change to the proportionate interests held by each Sovereign shareholder in SOC as a result of the consolidation.

1.8 Directors' Recommendation

The Directors recommend that Shareholders vote in favour of Resolution 1.

2. Resolution 2: Change of Name

2.1. The Proposal

Section 157 of the Corporations Act enables a company to change its name by special resolution passed at a general meeting. In accordance with section 157, Resolution 4 seeks the approval of the Shareholders to a change of the Company's name from "Sovereign Gold Company" to "Force Commodities Limited".

This change of name has been proposed, as the Board believes that this name better reflects the nature and strategic value of the operations of the Company.

If Resolution 2 is approved the ASX code of the Company will change from "SOC" to "4CE".

2.2. Directors' Recommendation

The Directors recommend that Shareholders vote in favour of Resolution 2.
