

New Contracts Awarded

MCS Expands Retail Shopping Centre Presence

MCS Services Limited (ASX: **MSG**) (**MCS**) (**Company**) is pleased to advise that it has been selected to provide uniformed security guard services to six (6) new suburban retail shopping centres throughout Perth's metropolitan areas.

These contracts are each for a two (2) year period with an option (in favour of MCS) for a further twelve (12) month extension.

In addition, MCS is also pleased to advise that it has been awarded a contract to provide uniformed guard services to a demolition company in the Pilbara Region of Western Australia for a six (6) month period. Post this period, the Company will re-tender for this work at the end of its term.

Following the award of these new contracts, MCS has irrefutably established itself as one of Western Australia's largest single providers of uniformed security guards, by quantum of guards.

The award of these new contracts sees approximately \$875,000 of new revenue to be received by the Company over the collective periods. Commenting, Mr. Paul Simmons, MCS' CEO, added:

"These new contract awards are a further testament to MCS' reputation among its clients, and in the industry, for providing excellent service and meeting client expectations. Shareholders will see the benefits of these developments over FY17 and into FY18."
