

NEON On-Market Share Buy-back

CAPITAL LIMITED

22 December 2016: Neon Capital Limited (ASX:NEN) had previously advised that it intended to commence the on market buy back following shareholder approval to delist (refer ASX announcement 24 November 2016) in view of the ongoing low liquidity in the trading of Neon shares the board has now decided to commence the buy back immediately.

Neon Capital will be able to acquire up to 5,220,122 shares as part of its on market buy-back scheme and Euroz Securities Limited will act as broker on Neon Capital's behalf in relation to the buy-back.
