Corporate Update

US-focused oil and gas producer, Target Energy Limited ("Target") provides the following update:

Fairway Divestment

Earlier in the year Target Energy Limited engaged global investment bank Canaccord Genuity ("Canaccord") as adviser to the divestment of the Fairway Project ("Fairway") in the Permian Basin, Texas. The Fairway properties were later included in a larger combined package, improving the overall marketability of the aggregated properties.

There has been a high level of transactions in the Permian Basin recently and a number of new potential bidders have been in contact with Canaccord regarding the properties. Discussions with the interested parties are ongoing, with the divesting partners confident of receiving additional bids for the properties.

Legal

Target is also pleased to advise that in regard to the ongoing legal action by Target subsidiary TELA Garwood LP against Victory Energy Corporation and Aurora Energy Partners, the legal action has been resolved to Target's satisfaction. Terms of the settlement are confidential.
