

## Quarterly Activities Report - December 2016

ASX ANNOUNCEMENT

30 January 2017

---

Perth-based exploration company **Metallum Limited (ASX: MNE)** provides the following activities and cashflow report for the quarter ended 31 December 2016.

### Teutonic Project

In the context of the improving sentiment for resources within capital and other markets the Company has continued to progress its flagship prospective Western Australian Teutonic Project.

Following its recent additions to the landholding at the project, the Company has extended its evaluation to include the additional ground-holding and will seek and consider further additions to the project area.

### Comval Project

The Company continues to hold the Comval Copper Gold Project in the Philippines on care and maintenance while it seeks partners to assist in progressing the project. The Company's interest is now being diluted in accordance with the original acquisition terms.

### Corporate

On 22 November 2016, the Company held its Annual General Meeting where all resolutions put to shareholders were passed unanimously on a show of hands.

### Outlook

Concurrently with its work on the Teutonic Project the Company has continued to seek and review complementary resource and other projects.
