Monadelphous Contracts Update

Engineering company Monadelphous Group Limited (ASX:MND) (“Monadelphous” or “the Company”) today announced it has secured new contracts and additional works for customers in the resources, energy and infrastructure markets with a combined value of approximately \$120 million.

The contracts and additional works secured include:

- Two new contracts with wholly owned subsidiaries of Fortescue Metals Group, including:
 - A three year contract with a two year extension option for fixed plant maintenance crane services and shutdown crane services with FMG Solomon Pty Limited at the Solomon Hub site in the Pilbara Region, WA; and
 - A contract to provide abrasive blasting, cleaning and relining of up to 900 carbon steel ore wagons for The Pilbara Infrastructure Pty Limited in Port Hedland, WA;
- An upgrade to the Water Treatment Plant providing the potable water supply, treatment and distribution system at BHP Billiton Western Australia Iron Ore’s Mining Area C operation in the northwest of WA;
- A contract for the supply, fabrication, pre-assembly and delivery of structural steel, conveyers and plate work with Brolton Group at the Hanson Bass Point Quarry Expansion Project in Shellharbour, NSW; and
- An order to provide facilities maintenance services at the Wheatstone LNG Project near Onslow, WA for a 12 month period, with two further one year options, under an existing agreement with Chevron Australia.

“With the award of these contracts we are continuing to build on key customer relationships and expanding our services to new customers. We are particularly pleased with the award of the new crane services contract which is in line with our strategy of extending our service offering to core markets and we look forward to developing our relationship with Fortescue Metals Group,” Monadelphous Managing Director Rob Velletri said.
