Notes to the Consolidated Financial Statements

for the half-year ended 31 December 2016

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Corporate Information

This general purpose half-year financial report of IODM Limited and its subsidiaries (the Group) for the half-year ended 31 December 2016 was authorised for issue in accordance with a resolution of the directors on 24 February 2017.

IODM Limited is a company limited by shares incorporated in Australia whose shares are publicly traded on the Australian Securities Exchange.

The nature of the operations and principal activities of the Group are described in the Director's Report.

Basis of Preparation

This financial report for the half-year ended 31 December 2016 has been prepared in accordance with AASB 134 Interim Financial Reporting and the Corporations Act 2001. The Group is a for profit entity for financial reporting purposes under Australian Accounting Standards.

These half-year financial statements do not include all notes of the type normally included within the annual financial statements and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the consolidated entity as the full financial statements.

It is recommended that the half-year financial statements be read in conjunction with the annual financial statements for the year ended 30 June 2016 and considered together with any public announcements made by IODM Limited during the half-year ended 31 December 2016 in accordance with the continuous disclosure obligations of the ASX listing rules.

For the purpose of preparing the interim report, the half-year has been treated as a discrete reporting period. The accounting policies adopted are consistent with those of the previous financial year.

New and amending Accounting Standards and Interpretations

The consolidated entity has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to its operations and effective for the current reporting period.

The adoption of all of the new and revised Standards and Interpretations has not resulted in any changes to the consolidated entity's accounting policies and has had no effect on the amounts reported for the current or prior periods.

Comparative Information

The comparative information for the six months ended 31st December, 2015 is that of The Debtor Management Hub Pty Ltd.

Notes to the Consolidated Financial Statements

for the half-year ended 31 December 2016

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Going Concern

This report has been prepared on the going concern basis, which contemplates the continuity of normal business activity and the realisation of assets and settlement of liabilities in the normal course of business.

The Group incurred a net loss after tax for the half-year ended 31 December 2016 of \$1,024,083 and experienced net cash outflows from operating activities of \$1,996,118. At 31 December 2016, the Group had a net current asset position of \$819,777. The cash and cash equivalents balance at the date of issuing this report is \$728,217.

The Directors have reviewed the business outlook and the assets and liabilities of the Group and are of the opinion that the use of the going concern basis of accounting is appropriate for the following reasons;

- Subsequent to the end of the reporting period, the company has continued to sign-up additional customers, and has a significant pipeline of new opportunities.
- Based on the above, the directors have prepared cash flow forecasts which demonstrate that the company will generate sufficient cash flows to fund its activities for a period of not less than twelve months from the date of this report.
- In the event that the forecast growth in revenue is slower than anticipated, the Directors have the ability to raise additional funds via equity raising.

Based on the above, the directors are confident that the company will continue as a going concern, and it is appropriate to adopt that basis of accounting in this financial report.

NOTE 2: SEGMENT REPORTING

For management purposes, the Group is organised into one main operating segment, which is the operation as a cloud based Software as a Service provider. All of the Company's activities are interrelated, and discrete financial information is reported to the Board of Directors (Chief Operating Decision Maker) as a single segment. Accordingly, all significant operating decisions are based upon analysis of the Group as one segment. The financial results from this segment are equivalent to the financial statements of the Group as a whole. Total revenue earned by the Group is generated in Australia and all of the Group's non-current assets reside in Australia.

NOTE 4: EARNINGS PER SHARE NOTE

In accordance with the principles of reverse acquisition accounting, the weighted average number of ordinary shares outstanding during the period ended 31 December 2015 has been calculated as the weighted average number of ordinary shares of Paradigm Metals Limited, outstanding during the period before acquisition multiplied by the exchange ratio established in the acquisition accounting.

	31 December 2016 \$	31 December 2015 \$
Loss after income tax attributable to the owners of IODM Limited	(1,024,083)	(185,315)

	Cents	Cents
Basic earnings per share	(0.31)	(0.03)
Diluted earnings per share	(0.31)	(0.03)

Potential ordinary shares, including options, are excluded from the weighted average number of shares used in the calculations of basic loss per share. Potential ordinary shares are not considered to be dilutive because the conversion of potential ordinary shares into ordinary shares would increase the basic loss per share.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of IODM Limited

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of IODM Limited, which comprises the consolidated statement of financial position as at 31 December 2016, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a statement of accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year's end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2016 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of IODM Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of IODM Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of IODM Limited is not in accordance with the *Corporations Act 2001* including:

- (i) Giving a true and fair view of the consolidated entity's financial position as at 31 December 2016 and of its performance for the half-year ended on that date; and
- (ii) Complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.
