### TV2U INTERNATIONAL LIMITED DIRECTORS' DECLARATION FOR THE HALF-YEAR ENDED 31 DECEMBER 2016

#### 1. CORPORATE INFORMATION

TV2U International Limited (referred to as "TV2U" or the "Company") is a company limited by shares incorporated in Australia whose shares are publicly traded on the Australian Securities Exchange ("ASX"). The address of its registered office and principal place of business are disclosed in the Corporate Directory. The consolidated half-year financial report covers the period from 1 July 2016 to 31 December 2016 (the "Period") and comprises the Company and its subsidiaries (referred to as the "Consolidated Entity" or the "Group"). The Company is in the technology industry and is a whole sale television provider to B2B clients.

#### 2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

#### (a) Basis of compliance

This half-year financial report of the Group has been prepared in accordance with AASB 134 Interim Financial Reporting and the Corporations Act 2001. Compliance with AASB 134 ensures compliance with International Financial Standard IAS 34 Interim Financial Reporting.

The half-year financial report does not include all notes of the type normally included within the annual financial report.

It is recommended that the half-year financial report be read in conjunction with the annual financial statements for the year ended 30 June 2016 and considered together with any public announcements made by the Group during the Period and up to the date of this report in accordance with the continuous disclosure obligations of the *Corporations Act* 2001.

The half year financial report of TV2U International Limited was authorised for issue in accordance with a resolution of the Directors on 28 February 2017.

#### Summary of Significant Accounting Policies

The significant accounting policies adopted in the preparation of the historical financial information included in this report have been set out below.

#### (b) Basis of preparation

These half-year financial statements have been prepared on the basis of historical cost. Cost is based on the fair values of consideration given in exchange for assets. All amounts are presented in Australian dollars.

The accounting policies and methods of computation adopted in the preparation of this financial report for the Period under review are consistent with those adopted in the annual financial statements for the year ended 30 June 2016, and corresponding interim reporting period, unless otherwise stated.

#### New, revised or amending Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted by the consolidated entity.

#### (c) Going concern

The interim consolidated financial statements have been prepared on a going concern basis which contemplates the continuity of normal business activities and the realisation of assets and the settlement of liabilities in the normal course of business.

The Group has incurred a net loss after tax for the half-year ended 31 December 2016 of \$7,253,385 (31 December 2015: \$943,041), and a net cash outflow from operations of \$2,623,396 (31 December 2015: \$883,916). As at 31 December 2016 the Group had net assets of \$1,013,841 (30 June 2016: \$2,439,484).

The ability of the consolidated entity to continue as a going concern is dependent on securing additional funding through capital raising to continue to meet its working capital requirements in the next 12 months.

These conditions indicate a material uncertainty that may cast significant doubt about the consolidated entity's ability to continue as a going concern and, therefore, that it may be unable to realise its assets and discharge its liabilities in the normal course of business.

Should the consolidated entity not be able to continue as a going concern, it may be required to realise its assets and discharge its liabilities other than in the ordinary course of business, and at the amounts that differ from those stated in the financial statements. The financial report does not include any adjustments relating to the recoverability and classification of recorded asset amounts or liabilities that might be necessary should the consolidated entity not continue as a going concern.

The Directors have reviewed the business outlook and cash flow forecasts after taking into account the above matters and are of the opinion that the use of the going concern basis of accounting is appropriate as the Directors believe the Group will achieve the matters set out above and be able to pay its debts as and when they fall due.

#### (d) Accounting Standards issued but not yet effective
