### **EXTENSION OF SUSPENSION**

On 15 February 2017 Mobilarm Limited requested a suspension in the trading of its shares as a result of the potential for price sensitive information in relation to a proposed transaction that affects Mobilarm becoming known to members of the public prior to the completion of the transaction.

The suspension was initially expected to last until 2 March 2017.

Mobilarm is still not in a position to make an announcement of a material transaction by a third party, which will result in the request to lift the suspension. The Company therefore requests that the existing suspension be continued until the Company is in a position to make an announcement that will result in the lifting of the suspension. This announcement is expected to be made by 17 March 2017.

Mobilarm is not aware of any reason why the Company's securities should not continue to be suspended.
