## QUARTERLY REPORT ON MINING ACTIVITIES AND APPENDIX 5B FOR 5 JULY 2016 TO 30 SEPTEMBER 2016

This is Condor's Quarterly Report on Mining Activities for the 1st Quarter of the 2016-2017 Financial Year (the period 5 July 2016 to 30 September 2016). This quarter was reduced by four days to align with removal and replacement of Condor's former Board of Directors on 5 July 2016.

This report has been prepared on the basis of the information currently available to Condor's directors. However, the Company's directors continue to pursue clarification of the Company's asset position and historical activities. Condor will update the market if further relevant information becomes available.

**Delay in production and release of Quarterly Report.** Delays in production and release of this report have been due to difficulties in obtaining and validating required information, as described in Condor's 2015-2016 Annual Report released 27 January 2017.

**Summary of activities.** Condor conducted no activities relating to mining production, development or exploration during the quarter. Condor's expenditure on mining activities during the quarter was nil.

**Summary of mining tenements.** Condor's current directors have seen no evidence indicating that Condor either disposed of or acquired any interests in any mining tenements during the quarter; however, this is subject to ongoing investigation. At the end of the quarter, available records indicate that the Company held the mining tenements listed in the attached schedules.

**Cash flow.** Condor's quarterly cash flows are detailed in the attached Appendix 5B.
