

DROPSUITE LIMITED

FY 2016 INVESTOR PRESENTATION

DISCLAIMER

All statements other than statements of historical fact included in this presentation, including, without limitation, statements regarding the future plans and objectives of Dropsuite Limited (ASX:DSE), should be considered forward-looking statements.

These statements are based on an assessment of present economic and operating conditions, and on a number of assumptions regarding future events and actions that are expected to take place. Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties, assumptions and other important factors, many of which are beyond the control of the Company, its directors and management of the Company that could cause the Company's actual results to differ materially from the results expressed or anticipated in these statements.

The Company cannot and does not give any assurance that the results, performance or achievements expressed or implied by the forward-looking statements contained on this website will actually occur and investors are cautioned not to place any reliance on these forward-looking statements. The Company does not undertake to update or revise forward-looking statements, or to publish prospective financial information in the future, regardless of whether new information, future events or any other factors affect the information contained on this website, except where required by applicable law and stock exchange listing requirements.

OUR MISSION IS TO ENSURE SMALL BUSINESSES NEVER LOSE DATA AGAIN. DROPSUITE HELPS BUSINESS STAY IN BUSINESS.

Dropsuite is a Cloud based software platform that enables SMEs to easily backup, recover and protect their business information. We do this through a network of reseller partners who have a combined reach of millions of SMEs worldwide.
