ASX / MEDIA ANNOUNCEMENT

4 April 2017

## Managing Director provides update in Interview with Sophisticated Investor

Carbine Resources Limited (ASX:CRB) wishes to advise that Managing Director, Mr Tony James, has recorded an interview with The Sophisticated Investor in which he provides an update on its Mount Morgan Project in Queensland and the recent transaction with Raging Bull Mining. In this interview, Mr James:

- Provides an update on the recent transaction with Raging Bull Mining to agree to terms to acquire the remaining 25% interest in the Mount Morgan Project.
- Provides an update on the regulatory approvals applications with the Queensland State authorities.
- Confirms that no technical or other changes have occurred to Feasibility Study published in December 2016 outlining a long project life delivering a 2 year payback and AISC of A\$549/gold oz (ASX: 8 December 2016).
- Provides update on Pyrite offtake and project financing associated with the Mount Morgan project.
- The interview can be viewed on the Carbine Resources website - [www.carbineresources.com.au](http://www.carbineresources.com.au)
