About Pacifico Minerals Ltd

Pacifico Minerals Ltd (“Pacifico”) (ASX: PMY) is a Western Australian based exploration company with interests in Australia and Colombia. In Australia the company is focussed on advancing the Borrooloola West project in the Northern Territory. The Borrooloola West Project is a Joint Venture with Sandfire Resources NL (ASX: SFR) with Sandfire retaining 49% and Pacifico holding 51% and operator of the Joint Venture. The Borrooloola West project covers an outstanding package of ground north-west of the McArthur River Mine (the world’s largest producing zinc – lead mine) with high potential for the discovery of world class base metal deposits. In Colombia the company is focussed on advancing its Berrio Gold Project. Berrio is situated in the southern part of the prolific Segovia Gold Belt and is characterised by a number of operational, artisanal-scale mines. The project is 35km from the Magdalena River which is navigable to the Caribbean Sea and has excellent infrastructure in place including hydro power, sealed roads, a water supply and telecommunications coverage.
