

## **SPP Closed**

King River Copper Limited (“King River” or “the Company”) advises that it is now in receipt of applications for the Share Purchase Plan (SPP) in excess of \$754,794.

Following on from the SPP update released to the ASX on 20 April 2017, the Board has now directed the share registry to close off applications at 5pm WST 21 April 2017. Application monies received after this will be refunded to shareholders at the soonest and existing applicants may be subject to scale back.

The Board of King River again thanks shareholders for their responsive financial support of our exploration ambitions on the Speewah Dome.
