QUARTERLY ACTIVITIES REPORT

FOR THE THREE MONTHS ENDING 31 MARCH 2017

HELIO TRANSACTION

On 29 July 2016, Nickelore Limited (ASX: NIO) (**Nickelore** or the **Company**) announced that it had entered into a binding Share Sale Agreement to acquire 100% of the issued capital of Helio Energia Holdings S.A. (**Helio**), a leading-edge, full-service, end-to-end provider of distributed generation solar energy systems for commercial and industrial energy customers in Brazil (the **Acquisition**). The Acquisition of Helio will result in a significant change to the nature and scale of the Company's main business, which the Nickelore Board considers to be positive and in the best interests of Nickelore shareholders.

During the quarter Nickelore remained in active discussions with its advisors and Helio to work through a number of conditions precedent that need to be satisfied prior to a Notice of Meeting being dispatched to shareholders to vote on the Acquisition. Helio continues to develop its business during this process. All parties remain committed to the Acquisition and continue to work through conditions precedent. Nickelore will remain in suspension under the ASX Listing Rules until the requirements for re-admission of the combined entity are met.

CANEGRASS PROJECT

Nickelore continued to fund its obligations in respect to the Canegrass Project during the quarter. If Nickelore shareholders approve the Acquisition, post-completion the new board of Nickelore will undertake a review of the Canegrass assets to investigate opportunities to divest its existing assets and projects by way of a sale, joint venture, or farm-out agreement.

FINANCIAL

At 31 March 2017 Nickelore held \$192,000 in cash reserves.
