

28 April 2017

ASX/MEDIA RELEASE
Quarterly Activities Report

Eneabba Gas Ltd (**Eneabba**) (ASX: **ENB**) is pleased to provide an update of its activities during the quarter ended 31 March 2017.

Centauri-1 Power Station

The Directors of Eneabba continue to evaluate options for development of the strategic Centauri-1 power station under the current economic climate and power demand scenarios. The Centauri-1 project is located 8 kilometers east of Dongara, Western Australia. The proposed 168 MW gas fired power station sits in the centre of a 4,400-acre land package owned by the company.

Rights Issue

During the previous quarter the company announced a rights issue of a total of 200,652,875 new shares on a one for two basis. A total of 58,297,996 new allotment shares were taken up by Eligible Shareholders. The company subsequently placed the short fall as announced to the market on March 3rd, 2017.

Director Changes

On March 1st, the company advised the market of the resignation of Mr. Thomas Goh as non-executive director and the appointment of Mr. Justin Barton as non-executive director.

Asset Review

The Board of Eneabba Gas continues to review assets for acquisition, across all sectors to generate value for Company shareholders.
