## **Swift wins government defence contract in Northern Territory**

**ASX: SW1**

### **Highlights:**

- **Swift wins multi-year contract to provide entertainment and communications to staff and contractors conducting major construction activities at a government defence facility in Australia's Northern Territory.**
- **Swift's engagement builds on earlier success in providing similar services to the Delamere Range government facility, and is set to bring remotely located workers a seamless and comprehensive entertainment and networking solution.**
- **Swift continues to see a positive outlook for business improvement as the Company strengthens its position as the telco and content solution provider of choice to commercial clients in a variety of remote and urban settings, spanning the Resources, Government, Hospitality, Aged Care and Retirement Village sectors.**

Leading telecommunications and content solutions provider Swift Networks Group Limited (ASX: SW1, "Swift" or "the Company") is pleased to announce that it has won a multi-year contract to provide entertainment and communications services to Lendlease Corporation Ltd (ASX: LLC).

The Company's engagement with Lendlease's facility manager Northern Rise will see Swift support staff and contractors conducting major construction activities at a government defence facility southeast of Katherine in Australia's Northern Territory.

This win builds on Swift's earlier success in providing similar entertainment and connectivity services to the Delamere Range government facility, announced to the market in September 2016, and represents the latest of several attractive contracts won through the Company's relationship with Northern Rise.

Swift Chief Executive Officer, Xavier Kris, said:

*"We are excited to broaden our support of construction workers delivering on the government's investment in these remote regions. This contract win demonstrates the versatility of our solution and creativity of our company."*

*“The relationships and experience we have built from working remotely in the resources sector see us perfectly fit with these construction camps, assisting both workforce and employer to meet the challenges of remote regional Australia.”*

*“We look forward to keeping this facility’s staff both entertained and in contact with their family and friends while working away — key to a happy workforce.”*

### **Contract scope**

Swift’s engagement will integrate the existing site Wi-Fi and cable infrastructure with Swift’s industrial-grade hardware and services to bring workers a seamless and comprehensive entertainment and networking solution.

For an initial and extendable period of 18 months, Swift will design, construct and deliver the following systems and services to the facility:

- Foxtel TV
- Free-to-air TV
- High-speed wireless internet
- Ongoing maintenance and support with 24x7 helpdesk

Swift continues to see a positive outlook for business improvement as the Company strengthens its position as the telco and content solution provider of choice to commercial clients in a variety of remote and urban settings, spanning the Resources, Government, Hospitality, Aged Care and Retirement Village sectors.

## **About Swift Networks Group Limited**

**Swift Networks Group Limited (ASX: SW1)** is a diversified telecommunications and content solutions provider, entertaining guests and connecting them to the world.

Swift's connectivity and content delivery platform empowers guests to watch, play, connect and interact. Swift brings accommodation providers opportunities to generate additional revenue and offers meaningful data insights to retain existing and drive new business.

Swift sources premium multi-lingual content from around the world and curates, packages and distributes it to clients' guests through its cloud-based platform. The company's services include free-to-air television, pay television, telecommunications, internet, data, wireless networks and streaming video on demand with content from some of Hollywood's largest studios.

Running in more than 140 sites across the mining, oil, gas, aged care, retirement village and hospitality sectors, Swift's fully integrated platform is deployed in some of the world's harshest regions, where reliability, flexibility and scalability are critical success factors.
