EXPLANATORY MEMORANDUM

1. RESOLUTION 1 - ISSUE OF SHARES TO PHILIP ADAMS

1.1 General

In accordance with Listing Rule 10.11, Shareholder approval is required for the issue of Shares to a related party. Mr Philip Adams is a related party of the Company by virtue of his position as Managing Director of the Company.

The Company seeks to issue up to 19,000,000 Shares to Mr Philip Adams as part of Mr Adams' total remuneration package to appropriately incentivise and motivate him in his role as Managing Director.

As Shareholder approval is sought under Listing Rule 10.11, approval under Listing Rule 7.1 is not required, in accordance with exception 14 of Listing Rule 7.2.

Resolution 1 is an ordinary resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 1.

If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 1, by signing and returning the Proxy Form, you are giving your express authorisation to allow the Chairman to vote the proxy in accordance with the Chairman's intention, even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

1.2 Section 208 of Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

Mr Philip Adams is a related party of the Company by virtue of his position as a director of the Company.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed issue of Shares under this Resolution on the basis that it is considered by the Board to be reasonable remuneration following consultation with an independent remuneration consultant. Accordingly, the exception set out in section 211 of the Corporations Act applies.

1.3 Listing Rule 10.11

In accordance with Listing Rule 10.11, the Company must not issue securities to a related party of the Company unless it obtains Shareholder approval.

Pursuant to Listing Rule 7.2, exception 14, the effect of passing Resolution 1 will be to allow the Company to issue up to 19,000,000 Shares to Mr Philip Adams (or his nominee) without using up the Company's 15% placement capacity under Listing Rule 7.1.

1.4 Specific information required by Listing Rule 10.13

Information must be provided to Shareholders for the purposes of obtaining Shareholder approval as follows:

- (a) The Shares will be issued to Mr Philip Adams (or his nominee).
- (b) The maximum number of Shares to be issued to Mr Philip Adams (or his nominee) under this Resolution is 19,000,000.
- (c) The Shares will be issued no later than one month after the date of the Meeting (or such longer period of time as ASX may in its discretion allow).
- (d) The Shares will be issued for nil cash consideration.
- (e) The Shares will rank equally in all respects with the Company's existing Shares on issue, except that they will be subject to voluntary escrow restrictions for a period of two years from the date of issue.
- (f) A voting exclusion statement is included in the Notice for Resolution 1.
- (g) No funds will be raised by the issue of the Shares as they are being issued for nil cash consideration to provide an equity-based component to the remuneration package offered to Mr Philip Adams to appropriately incentivise and motivate him in his role as Managing Director of the Company.

1.5 Directors' recommendation

The Directors (other than Mr Philip Adams) recommend that Shareholders vote in favour of Resolution 1.

2. RESOLUTION 2 - APPROVAL OF POTENTIAL TERMINATION BENEFITS FOR MR PHILIP ADAMS

Resolution 2 seeks Shareholder approval to provide certain benefits to Mr Philip Adams, Managing Director of the Company, which he may be eligible to receive on cessation of his employment in accordance with the terms of his engagement as Managing Director of the Company (**Executive Service Agreement**) (the terms of which were announced to ASX on 1 May 2017). Specifically, the Company is seeking approval to provide Mr Adams with payment of the equivalent of 12 months' pay, partially or totally in lieu of notice of termination of the Executive Service Agreement, should this occur in the future. Resolution 2 does not propose or allow any variation to the terms of the existing Executive Employment Contract.

Under sections 200B and 200E of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company or a related body corporate if it is approved by shareholders or an exemption applies (for example, where the benefit does not exceed the payment limits set out in the Corporations Act, including where a benefit does not exceed one year's average base salary).

The term 'benefit' in sections 200B and 200E of the Corporations Act is open to a wide interpretation and would include the requirement under the Executive Service Agreement that the Company may elect to provide Mr Adams with payment of the equivalent of 12 months' pay, partially or totally in lieu of notice of termination.

A payment will be exempt from the requirement to obtain Shareholder approval in circumstances where, for example, the amount of the payment and the value of any other benefits is less than the payment limit set by sections 200F and 200G of the Corporations Act. The payment limit is

however calculated by reference to the person's annual 'base salary' and the period of time that the person holds the relevant office, which cannot at this point be determined. Mr Adams' appointment as Managing Director became effective on 1 May 2017.

Although there is no current intention by the Company to terminate Mr Adams' employment within the first 12 months, nor does Mr Adams have any current intention to cease his employment within the first 12 months, the Board considers it prudent to obtain Shareholder approval under section 200B of the Corporations Act for any termination benefits provided to Mr Adams under the Executive Employment Contract in case those benefits are not exempt under the Corporations Act.

Listing Rule 10.19 provides that without the approval of shareholders, an entity must ensure that no officer of the entity or any of its child entities will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that may become payable to all officers together exceed 5% of the equity interests of the entity as set out in the latest accounts given to ASX under the Listing Rules.

Using the last accounts given to ASX under the Listing Rules, the equity interests of the Company calculated in accordance with the Listing Rules are approximately \$7,158,164. 5% of this amount is approximately \$357,908. As noted above, Mr Adams may be eligible to receive up to the equivalent of 12 months' pay (being US\$270,000 which is approximately A\$360,000 using an exchange rate of 0.75) on cessation of his employment in lieu of notice of termination. As the value of the termination benefit payable to Mr Adams may exceed 5% of the Company's current equity interests, the Company seeks shareholder approval pursuant to Resolution 2 to ensure that Mr Adams will be entitled to such termination benefits in accordance with the terms of his Executive Service Agreement for the purpose of Listing Rule 10.19.

The Directors (other than Mr Philip Adams) recommend that Shareholders vote in favour of Resolution 2.

Resolution 2 is an ordinary resolution.

If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 2, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention, even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

3. RESOLUTION 3 - RATIFICATION OF REALWINWIN CONSIDERATION SHARES AND OPTIONS

3.1 Background relevant to Resolutions 3 and 4

On 24 November 2016, the Company announced that it, together with its wholly owned subsidiary, BidEnergy, Inc. (**BID USA**) had entered into an Asset Purchase Agreement (**Agreement**) with RealWinWin, Inc. (**Vendor**) to acquire the rebate capture business, RealWinWin (**RWW**), which included customer goodwill, intellectual property, software systems, bank accounts and accounts receivable as well as certain accounts payable and other mutually agreed liabilities (**Acquisition**).

RWW is an established US-based business that provides rebate capture services to large, multi-site businesses in the US including national retail and retail service chains as well as Fortune 500 organisations. In the US, utilities incentivise companies to invest in energy efficiency measures by providing a rebate after the measure is implemented and inspected. Each utility has its own rules, process and paperwork, so for a company investing in efficiency measures across a large portfolio of sites in different geographies, the scope and complexity of understanding each applicable utility's rules and processes can be daunting. RWW offers a service to process the

rebate on behalf of the customer and generates revenue from its customers by taking a portion of the rebates it recovers.

In line with the Company's US expansion strategy, the Acquisition has provided the Company with a significant opportunity to accelerate growth in the US market by leveraging RWW's complementary customer base and established infrastructure to market and upsell the Company's platform subscription services.

The consideration payable to the Vendor and its nominees under the terms of the Acquisition is as follows:

a) **Upfront Consideration** comprised of:

- (i) US\$220,000 cash paid upon settlement of the Acquisition on 24 November 2016 (**Settlement**);
- (ii) 8,682,331 Shares (**Upfront Shares**) (6,752,924 of which were issued upon Settlement and 1,929,407 of which were issued on 13 January 2017). The Upfront Shares had a deemed issue price of A\$0.07 per Share, being equal to the volume weighted average price (**VWAP**) of Shares traded on the ASX during the 5-day period immediately prior to Settlement and representing a total value of US\$450,000 on the date of issue; and
- (iii) 3,858,814 unlisted options exercisable at A\$0.07 from 24 November 2017 until the expiry date of 24 November 2021 (**Upfront Options**) issued upon Settlement. The full terms and conditions of the Upfront Options are set out in Schedule 2.

The Upfront Shares and Upfront Options are subject to voluntary escrow restrictions for a period of 12 months from the date of issue.

b) **Earn-Out Consideration** which is subject to the achievement of rebate revenue targets to be met by RWW and is to be calculated with reference to the Annual Contract Value of the Company's platform subscription services sold by RWW employees to existing and future customers of the RWW business.

The Earn-Out Consideration is to be calculated over two consecutive terms, being:

- (i) From 24 November 2016 to 31 December 2017 (**Earn-Out Period 1**), with Earn-Out Consideration payable no later than 31 March 2018; and
- (ii) From 1 January 2018 to 31 December 2018 (**Earn-Out Period 2**), with Earn-Out Consideration payable no later than 31 March 2019,

(each an **Earn-Out Period**).

The Vendor and its nominees will become entitled to the payment of Earn-Out Consideration if the rebate capture revenue generated by RWW exceeds US\$1.3 million in any Earn-Out Period. Earn-Out Consideration is to be satisfied firstly by the issue of Shares (**Earn-Out Shares**) The number of Earn-Out Shares payable for any one Earn-Out Period will be calculated as:

Annual Contract Value of BidEnergy products sold by RWW employees (in US\$)

divided by:

The higher of A\$0.07 and the VWAP of Shares traded on the ASX during the 5-day period immediately prior to the public release of the Company's 31 December

2017 and 31 December 2018 financial results for Earn-Out Period 1 and Earn-Out Period 2 respectively.

If the total number of Upfront Shares, Upfront Options and Earn-Out Shares exceeds 48,000,000, the balance of any Earn-Out Shares may be issued by the Company either in full or part in its absolute discretion (subject to prior shareholder approval).

Given the prior issue of 8,682,331 Upfront Shares and 3,858,814 Upfront Options, the maximum number of Earn-Out Shares that the Company is obliged to issue under the Agreement is 35,458,855 and any further Earn-Out Shares will be at the Company's discretion and will either be issued under the Company's 15% capacity or the Company will seek shareholder approval for the issue of those Shares.

If a shortfall in the Earn-Out Consideration remains after issuing the Earn-Out Shares, the Company may satisfy the shortfall by the payment of an equivalent cash amount. If the amount to be paid in cash exceeds US\$100,000 in any Earn-Out Period, the Company may issue a promissory note for the Earn-Out Consideration amount in excess of US\$100,000, which will be repayable two years after the date of issue and will accrue interest at the US Prime Rate.

An example of the practical application of the Earn-Out Consideration is set out in Schedule 3.

Earn-Out Shares are subject to voluntary escrow restrictions for a period of 12 months from the date of issue.

Neither the Vendor nor any of its nominees are related parties or an associate of a related party of the Company.

Since completion of the Acquisition, the business of RWW has been successfully integrated into the BidEnergy group and continues to demonstrate its commercial and strategic value through growth in its underlying rebate revenue capture business and the generation of leads and cross-selling opportunities for the Company's platform subscription services.

3.2 ASX Listing Rule 7.1 & 7.4

In accordance with Listing Rule 7.1, the Company must not, subject to specified exceptions, issue or agree to issue more securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.4 provides that where a company in general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with Shareholder approval for the purpose of Listing Rule 7.1.

Where a company obtains Shareholder approval under Listing Rule 7.1 and 7.4, the effect of that approval is to allow the company to issue the securities the subject of that approval during the period of 3 months after the Meeting (or such longer period of time as ASX may in its discretion allow) without using the company's 15% annual placement capacity.

The Company confirms that the issue of the Upfront Shares and the Upfront Options did not breach Listing Rule 7.1.

3.3 Information regarding Resolution 3

Resolution 3 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of 8,682,331 Upfront Shares and 3,858,814 Upfront Options to the Vendor (and its nominees) as Upfront Consideration for the Acquisition.

The effect of passing Resolution 3 will be to allow the Company to issue securities in the future up to the 15% annual placement capacity set out in Listing Rule 7.1, without obtaining prior Shareholder approval.

Resolution 3 is an ordinary resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 3.

3.4 Specific information required by Listing Rule 7.5

In accordance with Listing Rule 7.5, information is provided in relation to the prior issue as follows:

- (a) A total of 8,682,331 Upfront Shares and 3,858,814 Upfront Options were issued to the Vendor (RealWinWin, Inc.) and its nominees, of which 6,752,924 Upfront Shares and 3,858,814 Upfront Options were issued on 24 November 2016 and the remaining 1,929,407 Upfront Shares were issued on 13 January 2017.
- (b) The Upfront Shares and Upfront Options were issued as part consideration for the Acquisition as noted in Section 3.1.
- (c) The Upfront Shares are subject to voluntary escrow restrictions for a period of 12 months from the date of issue and were otherwise issued on the same terms and conditions as the Company's existing Shares. The Upfront Options were issued on the terms and conditions set out in Schedule 2 of this Notice and are subject to voluntary escrow restrictions for a period of 12 months from the date of issue.
- (d) No funds were raised from this issue as the Upfront Shares and Upfront Options were issued as part consideration for the Acquisition.
- (e) A voting exclusion statement is included in the Notice for Resolution 3.

3.5 Directors' Recommendation

The Directors recommend that Shareholders vote in favour of Resolution 3.

4. RESOLUTION 4 - APPROVAL OF REALWINWIN EARN-OUT SHARES

4.1 Information regarding Resolution 4

Resolution 4 seeks Shareholder approval under Listing Rule 7.1 for the issue of up to 35,458,855 Earn-Out Shares to the Vendor and its nominees in satisfaction of the Earn-Out Consideration component to the Acquisition.

The maximum number of Earn-Out Shares to be issued in accordance with Resolution 4 is 35,458,855. If, pursuant to the Agreement, the number of Earn-Out Shares payable exceeds 35,458,855, the Company will, in its discretion, either:

- (a) issue Shares (with further prior shareholder approval); or

- (b) satisfy the remaining Earn-Out Consideration with a combination of cash and promissory notes (as applicable pursuant to the Agreement) to the Vendor and its nominees.

Refer to Section 3.1 for further details in respect to the Acquisition, and specifically the Earn-Out Shares to be issued under the Agreement.

Refer to Section 3.2 for a summary of Listing Rule 7.1.

The effect of Resolution 4 will be to allow the Directors to issue the Earn-Out Shares without using the Company's 15% annual placement capacity.

The Company has obtained a waiver of Listing Rule 7.3.2 from ASX to allow the Company to permit Resolution 4 for the issue up to 35,458,855 Earn-Out Shares not to state that the Earn-Out Shares will be issued no later than 3 months after the date of the Meeting on the following conditions:

- (a) the Earn-Out Shares must be issued no later than 31 March 2019, subject to shareholder approval having been obtained;
- (b) for any annual reporting period during which any of the Earn-Out Shares have been issued or any of them remain to be issued, the Company's annual report sets out in detail the basis on which the Earn-Out Shares may be issued;
- (c) in any half year or quarterly report for a period during which any of the Earn-Out Shares have been issued or remain to be issued, the Company must include a summary statement of the number of Earn-Out Shares issued during the reporting period, and the number of Earn-Out Shares that remain to be issued; and
- (d) the terms of the waiver are immediately disclosed to the market and in the notice of meeting pursuant to which approval of the Earn-Out Shares is being obtained.

Resolution 4 is an ordinary resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 4.

4.2 Specific information required by Listing Rule 7.3

In accordance with Listing Rule 7.3, information is provided in relation to Resolution 4 as follows:

- (a) The maximum number of Earn-Out Shares to be issued is 35,458,855.
- (b) The Company has obtained a waiver of Listing Rule 7.3.2 from ASX in respect of the Earn-Out Shares to be issued under Listing Rule 7.1 to allow the Company to issue those Shares upon the satisfaction of the relevant rebate revenue targets by RWW which will occur later than three months from the date of Shareholder approval. The issue of the Earn-Out Shares will occur progressively as follows:
 - (i) where any Earn-Out Shares are payable in respect of rebate revenue targets met during the period from 24 November 2016 to 31 December 2017, the Earn-Out Shares will be issued no later than 31 March 2018 (**Earn-Out Period 1**); and
 - (ii) where any Earn-Out Shares are payable in respect of rebate revenue targets met during the period from 1 January 2018 to 31 December 2018,

the Earn-Out Shares will be issued no later than 31 March 2019 (**Earn-Out Period 2**).

- (c) No cash consideration will be payable for the Earn-Out Shares. However, for the purposes of determining the number of Earn-Out Shares to be issued, the deemed issue price of any Earn-Out Shares will be the higher of A\$0.07 and the VWAP of Shares traded on the ASX during the 5-day period immediately prior to the public release of the Company's 31 December 2017 and 31 December 2018 financial results for Earn-Out Period 1 and Earn-Out Period 2 respectively. Therefore, the minimum deemed issue price is A\$0.07.
- (d) The Earn-Out Shares will be issued to the Vendor (RealWinWin, Inc) and its nominees, none of which will be a related party or an associate of a related party of the Company.
- (e) The Earn-Out Shares will be fully paid ordinary shares in the capital of the Company. The Earn-Out Shares will be subject to voluntary escrow restrictions for a period of 12 months from the date of issue and will otherwise be issued on the same terms and conditions as the Company's existing Shares and will rank equally in all respects with the Company's existing Shares on issue.
- (f) No funds will be raised from this issue as the Earn-Out Shares will be issued in satisfaction of the Earn-Out Consideration component of the Acquisition.
- (g) A voting exclusion statement is included in the Notice for Resolution 4.
