Dear Shannon

Request for Trading Halt

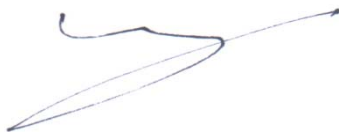

Pursuant to ASX Rule 17.1 Truscott Mining Corporation Ltd ACN 116 420 378 (“the ‘Company’”) (ASX: TRM) requests a trading halt be placed on its shares pending an announcement by the company.

The Company seeks a trading halt due to the pending release of information from our recent drilling programme on our Westminster Project at Tennant Creek in the Northern Territory, together with the release of an update on our research findings.

Truscott anticipates a detailed announcement will be made concerning the above. The company requests its securities to remain in the trading halt until the earlier of the commencement of trading on Wednesday 21st June, 2017 or the announcement is made.

The Company is not aware of any reason why a trading halt should not be granted or of any other information necessary to inform the market about the trading halt.

Yours sincerely
Truscott Mining Corporation Ltd

Michael J Povey
Director/Company Secretary
