Wolf Petroleum Limited ('the Company') is pleased to provide the following Company update.

The Production Sharing Contract ('PSC') renewal process for the Sukhbaatar Block has now been completed with the Company having signed the renewal agreement with the Mineral Resources and Petroleum Authority of Mongolia ('PAM').

The Company is pleased to advise that PAM has also approved the environmental management and land surface research and recovery plans submitted by the Company ahead of proposed exploration work on the Sukhbaatar Block. The Company has now commenced the process of completing the formal detailed reports and the re-processing and re-interpretation of 400km of seismic data.

The Company continues discussions with SAM Group regarding the finalisation of financing of the exploration programme and the progression of PSCs for the Baruun Urt and Jinst Blocks.

Ms Xue Dongping  
Chairperson
