Part 6 – Further Information

Question No.	Question	Answer
6.1	Further information relating to the reorganisation <i>Please provide any further information relating to this reorganisation.</i>	The proposed share consolidation is conditional on the Company's shareholders approving various other resolutions as part of the Proposed Transaction generally (refer to the Company's announcement of 1 May 2017 and the Notice of General Meeting dated 15 June 2017 for further details on the Proposed Transaction) and may not occur if the relevant shareholder approvals are not obtained. If the proposed consolidation is approved by the Company's shareholders, and other requisite shareholder approvals in relation to the Proposed Transaction are also obtained, the number of shares on issue will be consolidated on a 3 for 1 basis. As the proposed consolidation applies equally to all shareholders, the consolidation will have no material effect on the percentage interest that each shareholder has in the Company. In accordance with their terms, the Company's existing performance rights on issue will be consolidated on the same 3 for 1 basis as the Company's shares and the share price based performance milestones of such performance rights will increase according to the consolidation ratio. The other performance milestones of these performance rights will not change as a result of the proposed consolidation. The dates included in this Appendix 3A.3 have been included in the timetable for consistency with the standard ASX mandated timetable to effect a capital restructure. However, trading in the Company's securities on ASX will be suspended from the date of the General Meeting to be held on 20 July 2017 and will remain suspended until Company re-complies with Chapters 1 and 2 of the Listing Rules following completion of the Proposed Transaction.
