

ASX ANNOUNCEMENT 17 JULY 2017

SOPHISTICATED INVESTOR PLACEMENT

Further to the Market Update released on July 10, 2017, 333D Limited (ASX:T3D or “**Company**”) is pleased to announce that it has received firm commitments from sophisticated investors to raise \$525,000 at \$0.005 per share (“**Placement**”).

Under the Placement the Company will issue a total of 105,000,000 Shares, utilising the Company's available capacity under Listing Rule 7.1 (95,283,926 Shares) and Listing Rule 7.1A (9,716,074 Shares).

Funds raised will strengthen the Company's balance sheet and support customer acquisition efforts related to its on-demand 3d printing and digital capture initiatives.

“The Company is encouraged by the support investors have shown in regard to the realignment of our business model,” said John Conidi, 333D Executive Chairman. “We are confident that the reallocation of resources from our manufacturing division, coupled with the additional capital provided by this placement, will enable us to generate growth consistent with shareholder expectations.”

About 333D Limited

333D Limited (ASX: T3D) has been established with a clear strategy to become Australia's leading integrated multi-platform 3D technology company. Our goal is to make 3D technology accessible to everyone – which means creating a seamless, more intuitive process for converting ideas, designs, and real-life images into 3D printable objects. Our leading-edge approach unites the latest in next-generation digital and manufacturing technology to make 3D printing frictionless for businesses, industries, and schools. We are proud to offer Australia's broadest range of 3D printers for on-demand contract print services, as well as exclusive access to leading 3D digital technologies that make it easy to capture, enhance, and convert real-life images into touchable 3D objects.
