SMS INVESTOR CONFERENCE CALL

Structural Monitoring Systems plc (“SMS” or “the Company”) (ASX: SMN) is pleased to provide details for the conference call to be held tomorrow, 23 August, at 11.00am AEST. The conference call will discuss the Company’s recently announced executed commercial agreement related to the supply and permitted use of a structural health monitoring (“SHM”) technology with Delta Airlines.

The Company invites all shareholders and investors to join the conference call. Participants with relevant questions can email them through ahead of time to Warrick Lace (warrick@nwrcommunications.com.au) and Simon Hinsley (simon@nwrcommunications.com.au), and they will be addressed by management during the first half of the call. Participants will have the opportunity to submit follow up questions that may arise during the call to the same email addresses.
