RM Research is part of the **RM Capital Group**, an Australian based, internationally focussed corporate finance firm that specialises in the financing and managing of emerging companies in the resource and technology sectors.

RM Capital is based in Perth, Western Australia, and has additional offices throughout Australia including Sydney, Melbourne and Adelaide. **RM Capital** has full service wholesale and retail Australian Financial Services Licence regulated by the Australian Securities and Investment Commission.

About Connected IO Ltd. (CIO)

Connected IO Limited has its operations based in Silicon Valley, in the USA. Its business is a wireless technology innovator and manufacturer operating in the multi-trillion-dollar "IOT" (Internet of Things) sector. CIO specializes in machine to machine ("M2M") connectivity, providing hardware and software solutions to some of the world's largest companies – including Coca Cola, Verizon and AT&T. CIO's software solutions also include a customised cloud management interface and a variety of support services. Cisco predicts there will be 50 billion connected devices by 2020.
