About Dubber:

Dubber is the world’s most scalable call recording service which enables telecommunications carriers and customers to capture voice data in a way never before available. Dubber’s use of a true native cloud platform is revolutionary and is revitalising the call recording industry. Its high availability, unlimited scalability and true Software as a Service (SaaS) offering enable telecommunications carriers to deploy and manage new services and revenue streams without the need for hardware, productisation or capital expenditure.
