Dear Sir

### **Range Resources Limited – Appendix 3B**

Following review of the Company’s records, it was noted that Appendix 3B for the US\$20 million Convertible Note issue, which was announced on 31 October 2016 and approved by shareholders at the General Meeting on 7 February 2017, was not lodged within the required period.

In relation to the late lodgement of this Appendix 3B, please note the following:

The late lodgement is due to administrative oversight by the Company.

Range believes it has adequate arrangements in place to lodge Appendix 3B immediately following the issue of securities to meet its disclosure obligations under listing rule 3.10.5. The Company will ensure that all future disclosures of this nature are made within the required timeframes.
