

ASX ANNOUNCEMENT**7 SEPTEMBER 2017**

VALMEC CONTINUES TO BUILD ORDER BOOK – ADDITIONAL UPDATE

Valmec Limited ('VALMEC')(ASX:VMX) is pleased to provide a further update to its ASX announcement of 6 September 2017 confirming that it had secured new gas construction and services contracts in Queensland as well as additional infrastructure contracts in Western Australia.

The new awards totaling approximately \$11.2 million include the following key gas construction and infrastructure contracts:

- Supply and installation of the structural, mechanical, piping, electrical and instrumentation ("SMPE&I") works associated with the Wallumbilla ML1A metering facilities for Jemena Group valued at approximately \$4.6 million;
- Supply, fabrication and installation of the SMPE&I works associated with the Reedy Creek Wallumbilla Pipeline (Facilities) Project for APA Group valued at approximately \$2.9 million; and
- Supply of mechanical, electrical and civil services associated with grain handling facility upgrades for CBH Group valued at approximately \$3.3 million.

All new contracts are expected to commence immediately with completion during the current financial year.

About VALMEC

Valmec is an Australian energy and multi-discipline services group providing specialised packaged equipment, construction, maintenance, commissioning and integrity maintenance services to the resources, energy and infrastructure sectors.

Founded by an experienced team of EPC and contracting professionals each with more than 25 years in the Australian gas industry, Valmec's focus is on the delivery of innovative project solutions, superior service and faster time-to-market options than the competition.

Valmec employs approximately 250 project and support personnel, operating out of major offices in Western Australia and Queensland and project facilities and workshops across Australia.
