About Thred: Thred Limited (ASX: THD) has developed an in-market version of globally relevant software platform that aims to provide unified social messaging, along with content creation and sharing, in one simple and intuitive consumer App. Thred intends to uniquely deliver the ability for consumers to unite their messaging, mail, connections, SMS and more, into one simple 'thred' where they can connect, talk, transact, play, attach, watch, buy and listen with awesome simplicity and relevance. Thred plans to aggregate incumbent social, mail, content, media and third party transactional platforms, providing a universal, unified and simple place to connect with anyone, anywhere, anytime, regardless of what social or mail platform they're on. Thred aims to facilitate cross-platform communications with ease and steps this up a gear by putting an array of device and media tools in one unique and powerful 'thred'.

Thred has launched an 'in market' testing phase through iTunes & Play Store. Following a period of User feedback and honing platform operations, Thred will gradually release a program of improvements and enhancements to increase its usefulness. Ultimately, Thred aims to compete on a world-stage, delivering integrations that include Facebook, Twitter, Instagram, LinkedIn, Uber, Microsoft, Google, Airbnb and more.
