Board Processes

An agenda for the meetings has been determined to ensure certain standing information is addressed and other items which are relevant to reporting deadlines and or regular review are scheduled when appropriate. The agenda is regularly reviewed by the Chairman and the Company Secretary.

Corporate Governance Council Recommendation 2

Structure the Board to Add Value

Board Composition

The relevant provisions in the Constitution and the Corporations Act determine the terms and conditions relating to the appointment and termination of Directors. All Directors, other than the Managing Director, are subject to re-election every three years.

The Board does not have a separate Nomination Committee comprising of a majority of Independent Directors and as such does not comply with Recommendation 2.4 of the Corporate Governance Council. The Board believes that given the size of the Consolidation Group and the stage of its development a separate nomination committee is not warranted at this time. Any changes to Directorships will, for the foreseeable future, be considered by the full Board subject to any applicable laws. Identification of potential Board candidates includes consideration of the skills, experience, personal attributes and capability to devote the necessary time and commitment to the role.

The Board consists of Mr Collin Vost, executive Chairman and Managing Director, Mr Justin Vost non-executive Director, and Mr Timothy Clark, non-executive Director.

The Constitution requires a minimum number of three Directors. The maximum number of Directors is fixed by the Board but may not be more than 9, unless the members of the Company, in general meeting, resolve otherwise. The skills, experience and expertise of all Directors is set out in the Directors' section of the Company's website.

The Board considers, however, that given the size and scope of the Group's operations at present, it is appropriately structured to discharge its duties in a manner that is in the best interests of the Group and its Shareholders from both a long-term strategic and operational perspective.

Independent Chairman

The Chairman is not considered to be an independent director and as such Recommendation 2.2 of the Corporate Governance Council has not been complied with. However, the Board believes that Mr Collin Vost is an appropriate person for the position as Chairman because of his industry experience and proven track record as a public company director.

Roles of Chairman and Managing Director

The roles of Chairman and Managing Director is exercised by the same individual, and as such the Company does not comply with Recommendation 2.3 of the Corporate Governance Council. However, the Board believes that Mr Collin Vost is an appropriate person for the position of Managing Director because of his industry experience and proven track record as a public company director.

Evaluation of Board Performance

The Company does not have a formal process for the evaluation of the performance of the Board and as such does not comply with Recommendation 2.5 of the Corporate Governance Council. The Board is of the opinion that the competitive environment in which the Company operates will effectively provide a measure of the

performance of the Directors. In addition the Chairman assesses the performance of the Board, individual directors and key executives on an informal basis.

Education

All Directors are encouraged to attend professional education courses relevant to their roles.

Independent Professional Advice and Access to Information

Each Director has the right to access all relevant information in respect of the Group and to make appropriate enquiries of senior management. Each Director has the right to seek independent professional advice at the Group's expense, subject to the prior approval of the Chairman, which shall not be unreasonably withheld.

Corporate Governance Council Recommendation 3

Promote Ethical and Responsible Decision Making

The Board actively promotes ethical and responsible decision making.

Code of Conduct

The Board has adopted a Code of Conduct that applies to all employees, executives and Directors of the Group, and as such complies with Recommendation 3.1 of the Corporate Governance Council. This Code addresses expectations for conduct in accordance with legal requirements and agreed ethical standards.

Security Trading Policy

The Board has committed to ensuring that the Group, its Directors and executives comply with their legal obligations as well as conducting their business in a transparent and ethical manner. The Board has adopted a policy and has procedures on dealing in the Company's securities by directors, officers and employees which prohibits dealing in the Company's securities when those persons possess information, and as such complies with Recommendation 3.2 of the Corporate Governance Council.

Corporate Governance Council Recommendation 4

Safeguarding Integrity in Financial Reporting

Audit Committee

The Board does not have a separate Audit Committee with a composition as suggested by Recommendations 4.1, 4.2 and 4.3 of the Corporate Governance Council. The full Board carries out the function of an audit committee. The Board believes that the Group is not of a sufficient size to warrant a separate committee and that the full Board is able to meet objectives of the best practice recommendations and discharge its duties in this area. The relevant experience of Board members is detailed in the Directors' section of the Directors' Report.

Financial Reporting

The Board relies on senior executives to monitor the internal controls within the Group. Financial performance is monitored on a regular basis by the Managing Director who reports to the Board at the scheduled Board meetings.

Corporate Governance Council Recommendation 5

Make Timely and Balanced Disclosure

The Board reviews the performance of the external auditors on an annual basis and meets with them during the year to review findings and assist with Board recommendations.

In the absence of a formal audit committee the Directors of the Group are available for correspondence with the auditors of the Group.

Continuous Disclosure

The Board places a high priority on communication with Shareholders and is aware of the obligations it has, under the Corporations Act and ASX Listing Rules, to keep the market fully informed of information which is not generally available and which may have a material effect on the price or value of the Company's securities.

JV GLOBAL LTD (ABN 80 009 142 125)
AND CONTROLLED ENTITIES
CORPORATE GOVERNANCE STATEMENT

The Company has adopted policies which establish procedures to ensure that Directors and management are aware of and fulfill their obligations in relation to the timely disclosure of material price sensitive information.

Continuous disclosure is discussed at all regular Board meetings and on an ongoing basis the Board ensures that all activities are reviewed with a view to the necessity for disclosure to security holders.

Corporate Governance Council Recommendation 6
Respect the Rights of Shareholders

Communications

The Board fully supports security holder participation at general meetings as well as ensuring that communications with security holders are effective and clear. This has been incorporated into a formal shareholder communication strategy, in accordance with Recommendation 6.1 of the Corporate Governance Council.

In addition to electronic communication via the ASX website, the Company publishes all significant announcements together with all quarterly reports. These documents are available in both hardcopy on request and on the Company website at www.jvglobal.com.au

Shareholders are able to pose questions on the audit process and the financial statements directly to the independent auditor who attends the Company's Annual General Meeting for that purpose.

Corporate Governance Council Recommendation 7
Recognise and Manage Risk

Risk Management Policy

The Board has adopted a risk management policy that sets out a framework for a system of risk management and internal compliance and control, whereby the Board delegates day-to-day management of risk to the Managing Director, therefore complying with Recommendation 7.1 of the Corporate Governance Council. The Board is responsible for supervising management's framework of control and accountability systems to enable risk to be assessed and managed.

The Group's risk management strategy is evolving and will be an ongoing process and it is recognised that the level and extent of the strategy will develop with the growth and change in the Group's activities.

Risk Reporting

As the Board has responsibility for the monitoring of risk management it has not required a formal report regarding the material risks and whether those risks are managed effectively therefore not complying with Recommendation 7.2 of the Corporate Governance Council. The Board believes that the Group is currently effectively communicating its significant and material risks to the Board and its affairs are not of sufficient complexity to justify the implementation of a more formal system for identifying, assessing, monitoring and managing risk in the Company.

Managing Director and Company Secretary Written Statement

The Board requires that the Managing Director and the Company Secretary provide a written statement that the financial statements of the Group present a true and fair view, in all material aspects, of the financial position and operational results and have been prepared in accordance with Australian Accounting Standards and the Corporations Act. The Board also requires that the Managing Director and Company Secretary provide sufficient assurance that the declaration is founded on a sound system of risk management and internal control, and that the system is working effectively.

The declarations have been received by the Board, in accordance with Recommendation 7.3 of the Corporate Governance Council.

Corporate Governance Council Recommendation 8
Remunerate Fairly and Responsibly

Remuneration Committee

The Board has not created a separate Remuneration Committee and as such does not comply with Recommendation 8.1 of the Corporate Governance Council. The Board considers that the Group is not currently of a size, nor are its affairs of such complexity to justify a separate Remuneration Committee.

Executive Directors, non-executive Director receive fees agreed on an annual basis by the Board and may include performance based components designed to reward and motivate.

The full Board determines all compensation arrangements for Directors. It is also responsible for setting performance criteria, performance monitors, share option schemes, incentive performance schemes, superannuation entitlements, retirement and termination entitlements and professional indemnity and liability insurance cover.

The Board ensures that all matters of remuneration will continue to be in accordance with the Corporations Act requirements.
