<sup>&</sup>lt;sup>1</sup> Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

<sup>&</sup>lt;sup>2</sup> "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Prior to this date the committee consisted of Mr Neil Hackett (as chairman), Mr Piers Lewis and Dr Michelle Li. Mr Hackett, Mr Lewis and Dr Li are non-executive independent Directors. The role and responsibilities of the Audit and Risk Committee are summarised below.  Details of the relevant qualifications and experience of the members of the Board and the number of times the Board met are detailed within the Annual Report. The Audit and Risk Committee is accountable for the implementation of the risk management process and is ultimately responsible for the management of risks in the business.  The Board has adopted a formal Risk Management Policy and associated procedures so as to formalise the process of managing material business risks of the Company. A copy of the Policy is available on the Company's website.
	7.2 The board or a committee of the board should:  (a) review the entity's risk management framework at least annually to satisfy itself that it continues to be sound; and  (b) disclose, in relation to each reporting period, whether such a review has taken place. Non-executive directors are paid their fees out of the maximum aggregate amount approved by shareholders for non-executive director remuneration. The Company does not adhere to Guidelines for non-executive director remuneration 'Non-executive directors should not receive options with performance hurdles'. The Company has previously granted options to non-executive directors and, potentially, will do so in the future. The Board is of the view that options (for both executive and non-executive directors) are a non-cash cost effective benefit for small companies such as Ardiden Limited that seek to conserve cash reserves. They also provide an incentive that ultimately benefits both shareholders and the optionholder, as optionholders will only benefit if the market value of the underlying shares exceeds the option strike price. Ultimately, shareholders will make that determination.  The Remuneration Report contained in the Annual Report outlines the Director and executive remuneration arrangements of the Company in accordance with the requirements of the Corporations Act 2001 and the Corporations Regulations. It also provides the remuneration disclosure required by AASB 124 Related Party Disclosures.  There are no schemes for retirement benefits, other that superannuation, for Non-Executive Directors, where applicable.  The Company has an Employee Incentive Option Plan, which has been approved by Shareholders, a copy of which is located on the Corporate Governance homepage on the website.  The Board has a Securities Trading Policy that all participants in an equity based remuneration scheme are not allowed to use derivatives which hedges against the equity position provided via the equity based remuneration scheme. A copy of the Security Trading Policy can be found on the Corporate Governance home page on the Company's website.
