## Successful Tolukuma EL Application Warden's Court Hearing

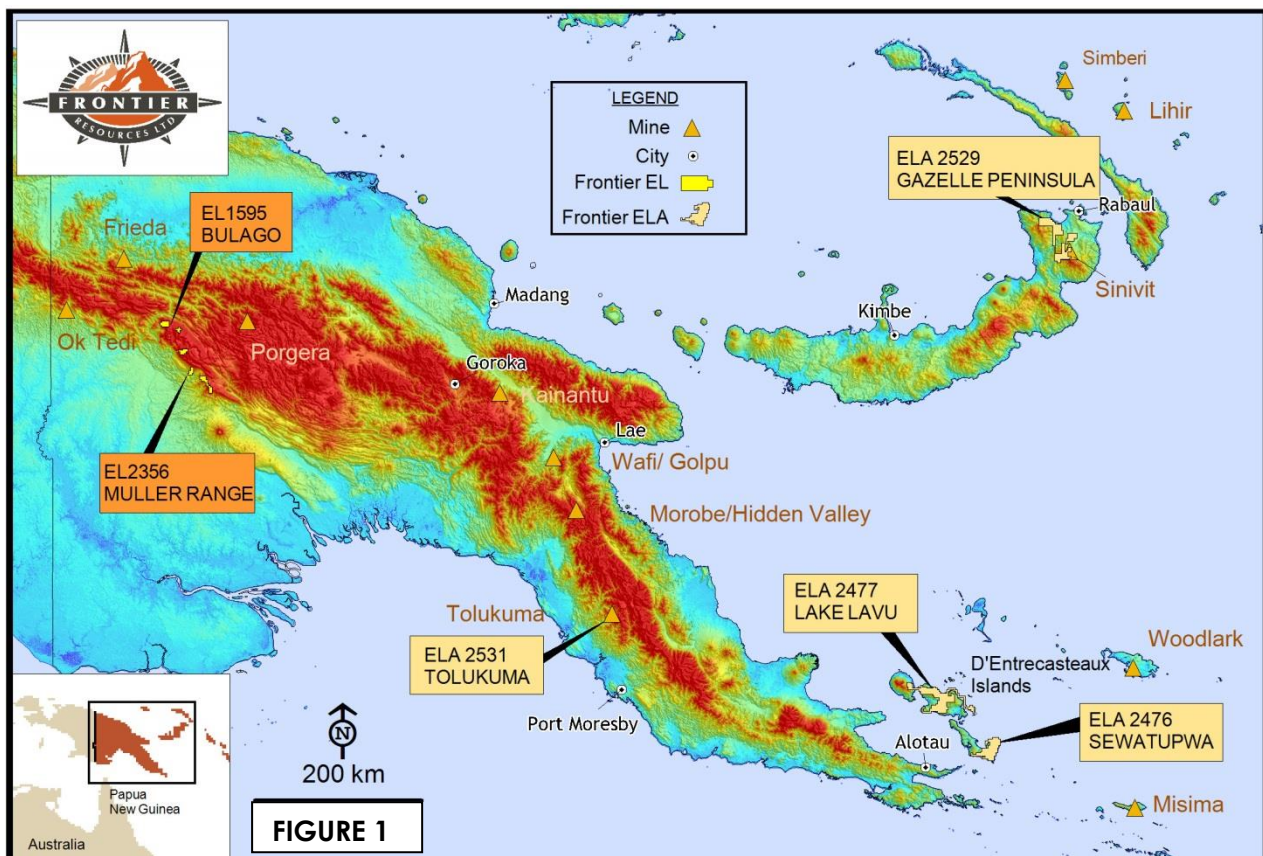

Frontier Resources Limited (**Frontier**) is pleased to announce that the Tolukuma ELA2531 Application (**Figure 1**) Warden's Court Hearing was extremely successful.

Frontier's Chairman and Managing Director Peter McNeil said:

*"The Warden's Court Hearing onsite with the traditional landowners went extremely well and was probably the best and quickest Hearing I have ever conducted (refer to photos 1, 2 & 3).*

*The landowners all gave Frontier a 'green light' to come in and work, with no objections at all.*

*This is a very encouraging start for the process which now proceeds to the Mining Advisory Council for their recommendation to the Minister."*
