RE: Appendix 3B

Rent.com.au Limited (ASX: **RNT**) ("**RENT**" or "**the Company**"), Australia's Number 1 website dedicated to rental property, announces that it has issued 66,667 ordinary shares upon conversion of Class A Performance Rights following satisfaction of the applicable service vesting conditions.

The performance hurdle for the vesting of these performance rights had previously been satisfied in March 2016, however the performance rights had also had length of service vesting conditions attached to them. In the case of 2 employees, these conditions have now been met.

Following this issue, only 20,000 Class A Performance Rights remain. The applicable length of service vesting condition for the remaining 20,000 Class A Performance Rights is expected to be met on 31 December 2017, whereupon they will convert to fully paid ordinary shares.

The Company has today also cancelled 270,000 options with an exercise price of \$0.30 and expiry date of 17 June 2020. These options related to employees who have left the Company prior to satisfaction of the applicable length of service vesting conditions.
