### **Termination of Heads of Agreement – Trojan Gold Project**

Overland Resources Limited (ASX:OVR, the “Company”) hereby advises that it has terminated its option-to-acquire the Trojan Gold Project from Westgold Resources Limited (ASX:WGX) and its subsidiaries.

After an in-depth review the Company decided that the resultant dilution event was not in the best interest of the Company or its shareholders and that any funds or resources available are better directed to exploration activities at the recently acquired Yandal East Gold Project.
