Explanatory Statement

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Company's Annual General Meeting.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the resolution in the accompanying Notice of Annual General Meeting.

This Explanatory Statement should be read in conjunction with the Notice of Annual General Meeting. Capitalised terms in this Explanatory Statement are defined in the Glossary.

Financial Statements

The Corporations Act requires the annual financial report, the directors' report and the auditor's report for the last financial year to be laid before the Annual General Meeting. The financial statements and reports are contained in the Company's Annual Report. Shareholders who have elected to receive the Annual Report will have been provided with a copy. The Annual Report is also available on ASX's website and the Company's website.

While no resolution is required in relation to this item, Shareholders will be given the opportunity to ask questions and make comments on the financial statements and reports.

1. Resolution 1 – Approval of Remuneration Report

The Remuneration Report of the Company for the financial year ended 30 June 2017 is included in the Directors' report in the Company's annual report for the financial year ended 30 June 2017. The Remuneration Report sets out the Company's remuneration arrangements for the executive and non-executive Directors and executive Employees.

Section 249L(2) of the Corporations Act requires a company to inform shareholders that a resolution on the Remuneration Report will be put at the Annual General Meeting. Section 250R(2) of the Corporations Act provides that a resolution that the Remuneration Report be adopted must be put to the vote. Resolution 1 seeks the adoption of the Remuneration Report.

However, Shareholders should note that in accordance with Section 250R(3) of the Corporations Act, Resolution 1 is an "advisory only" Resolution and does not bind the Directors or the Company.

Following consideration of the Remuneration Report at the Annual General Meeting, the Chairman, in accordance with Section 250SA of the Corporations Act, must give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

Section 250V of the Corporations Act provides that if the resolution to approve the Remuneration Report receives "no" votes of 25% or more at two successive annual general meetings of the Company, the Shareholders will be required to vote at the second of those annual general meetings on a resolution ("spill resolution") that an extraordinary meeting be held at which all of the Directors (except the Managing Director) must stand for re-election. If more than 50% of Shareholders vote in favour of the spill resolution, the Company must convene the extraordinary meeting ("spill meeting") within 90 days of the second annual general meeting. All of the Directors who are in office when the resolution to make the 2018 Director's report is passed, other than the Managing Director (who may in accordance with the Listing Rules continue to hold office indefinitely without being re-elected to office), will cease to hold office immediately before the end of the spill meeting but may stand for re-election at the spill meeting. Following the spill meeting, those persons whose election or re-election as Directors is approved will be the Directors.

Section 250R of the Corporations Act restricts the Chairperson, Key Management Personnel and any Closely Related Parties of them from voting on a Remuneration Report.

Section 250R(4) of the Corporations Act prohibits any votes on this Resolution 1 being cast by Key Management Personnel or a Closely Related Party, whose remuneration details are disclosed in the Remuneration Report. This prohibition extends to undirected proxy votes to be cast by the Chairman. In this regard, you should specifically note that if you indicate on the Proxy Form that you do not wish

to specify how your proxy should vote on Resolution 1, you will be deemed to have expressly directed the Chairman to cast your votes in favour of Resolution 1.

What this means for Shareholders: If you wish to appoint the Chairman as your proxy but do NOT want your votes to be cast in favour of Resolution 1, you must indicate your voting intention by marking either "against" or "abstain" on Resolution 1 in the Proxy Form. Please see the Proxy Form for further information on such appointments.

2. Resolution 2 – Re-election of Geoff Michael as a Director

In accordance with Listing Rule 14.4 and clause 11.3 of the Constitution, at every Annual General Meeting, one third of the Directors for the time being must retire from office by rotation and are eligible for re-election. The Directors to retire are those who have been in office for 3 years since their appointment or last re-appointment or who have been longest in office since their appointment or last re-appointment or, if the Directors have been in office for an equal length of time, by agreement.

In determining the number and identity of the Directors to retire by rotation, the Managing Director and any Director seeking election after appointment by the Board to fill a casual vacancy are not taken into account.

Geoff Michael retires by rotation at this meeting and, being eligible, offers himself for re-election.

Details of Geoff Michael are as follows:

Mr Michael has been an Executive Director of various companies, investment syndicates and enterprise start-ups across a range of asset classes for more than 20 years. His experience ranges from property development and investment to resources, mining services, civil engineering and contracting, to information technology and hospitality. These activities have been carried out in Australia, Europe, Asia and Southern Africa. He has approximately seven years continuous experience to date as a Director of Kinetiko Energy Ltd.

3. Resolution 3 – Ratification of Issue of Shares Under Placement (Tranche 1)

3.1 General

On 15 June 2017 the Company announced that it had completed the Placement of \$305,000 and 12,200,000 Shares were issued on that date to Exempt Investors and are the subject of this Resolution 3.

Shareholder approval is sought to approve and ratify the 12,200,000 Shares previously issued under the Placement and referred to in Resolution 3.

3.2 Listing Rules

Listing Rule 7.1 provides that (subject to certain exceptions, none of which are relevant here) prior approval of shareholders is required for an issue of securities by a company if the securities will, when aggregated with the securities issued by the company during the previous 12 months, exceed 15% of the number of the ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.4 provides that an issue of securities by a company made without approval under Listing Rule 7.1 is treated as having been made with approval for the purpose of Listing Rule 7.1 if the issue did not breach Listing Rule 7.1 and the Company's shareholders subsequently approve it. Such approval replenishes the company's 15% capacity and enables it to issue further securities up to that limit. Accordingly, if Resolution 3 is approved, the Shares issued under the Placement will not be included in the Company's 15% calculation for the purposes of Listing Rule 7.1.

Listing Rule 7.5 requires that the following information be provided to the Shareholders in relation to obtaining approval of Resolution 3 for the purposes of Listing Rule 7.4:

(a) Number of Securities allotted

A total of 12,200,000 Shares were issued.

(b) **The price at which the Securities were issued**

The Shares had an issue price of \$0.025 each.

(c) **The terms of the Securities**

The Shares issued were fully paid ordinary shares in the capital of the Company and rank equally in all respects with the existing fully paid ordinary shares on issue.

(d) **Names of the allottees or the basis on which the allottees were determined**

The Shares under the Placement were issued to Sophisticated or Professional Investors under section 708A(5) of the Corporations Act who were not related parties of the Company.

(e) **The use of (or intended use) of the funds raised**

The funds raised from the issue of the Shares under the Placement were to further the negotiations with potential funding partners in South Africa, exploration of the Company's southern African projects and additional working capital.

4. Resolution 4 – Approval of 10% Placement Facility

4.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities totalling up to 10% of its issued share capital through placements over a 12 month period after the entity's annual general meeting ("**10% Placement Facility**"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 4.2(c) below).

The Board believes that Resolution 8 is in the best interests of the Company and unanimously recommends that Shareholders vote in favour of this Resolution.

4.2 Description of Listing Rule 7.1A

(a) **Shareholder approval**

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) **Equity Securities**

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of this Notice of Annual General Meeting, the only Equity Securities that the Company has on issue are its 254,612,064 Shares.

(c) **Formula for calculating 10% Placement Facility**

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of shares on issue 12 months before the date of issue or agreement:
- (A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
 - (B) plus the number of partly paid shares that became fully paid in the 12 months;
 - (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
 - (D) less the number of fully paid shares cancelled in the 12 months.

Note that "A" has the same meaning as in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 4.2(c) above).

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX ("**10% Placement Period**").

4.3 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 ASX trading days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 5 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (iii) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and

- (iv) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable A in Listing Rule 7.1A.2		Dilution		
		\$0.01 50% decrease in Market Price	\$0.02 Current Market Price	\$0.03 50% increase in Market Price
Current Variable A 254,612,064	10% Voting Dilution	25,461,206 Shares	25,461,206 Shares	25,461,206 Shares
	Funds raised	\$ 254,612	\$ 509,224	\$ 763,836
50% increase in current Variable A 381,918,096	10% Voting Dilution	38,191,810Shares	38,191,810Shares	38,191,810Shares
	Funds raised	\$ 381,918	\$ 763,836	\$ 1,145,754
100% increase in current Variable A 509,224,128	10% Voting Dilution	50,922,413 Shares	50,922,413 Shares	50,922,413 Shares
	Funds raised	\$ 509,224	\$ 1,018,448	\$ 1,527,672

The table has been prepared on the following assumptions:

1. The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
2. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
3. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
4. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
6. The issue price is \$0.02, being the closing price of the Shares on ASX on 5 October 2017.

- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 4 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) non-cash consideration for the acquisition of new resource assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards the exploration activities at its existing projects and/or for acquisition of new assets or investments (including expenses associated with such acquisition) and general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the purpose of the issue;
- (ii) the methods of raising funds that are available to the Company including, but not limited to, rights issue or other issue in which existing security holders can participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the financial situation and solvency of the Company;

- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Annual General Meeting but are likely to be investors which are sophisticated or professional investors (or both) for the purposes of section 708 of the Corporations Act.

If the Company is successful in acquiring new resources assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new resources assets or investments.

- (e) The Company has previously obtained Shareholder approval under Listing Rule 7.1A at the Annual General Meeting held on 2 November 2016.
- (f) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.
- (g) Details of securities issued during the 12 months preceding the date of the meeting.

Any Proxy Voting Forms received after that time will not be valid for the scheduled Meeting.

Voting Forms can be lodged:

 **BY MAIL**

YOUR NAME AND ADDRESS

This is your name and address as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

VOTING UNDER STEP 1 - APPOINTING A PROXY

If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chairman of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chairman of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services on 1300 288 664 or you may copy this form.

Individual: Where the holding is in one name, the Shareholder must sign.

Joint holding: Where the holding is in more than one name, all of the Shareholders should sign.

Power of attorney: If you have not already lodged the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Voting Form when you return it.

CORPORATE REPRESENTATIVES

If a representative of the corporation is to attend the Meeting the appropriate 'Appointment of Corporate Representative' should be produced prior to admission. A form may be obtained from the Company's share registry online at <https://automic.com.au>.

ATTENDING THE MEETING

Completion of a Proxy Voting Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Voting Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.

OTHER RESOLUTIONS

Should any resolution, other than those specified in this Proxy Voting Form, be proposed at the Meeting, a proxy may vote on that resolution as they think fit.

POWER OF ATTORNEY

If a representative as power of attorney of a Shareholder of the Company is to attend the Meeting, a certified copy of the Power of Attorney, or the original Power of Attorney, must be received by the Company in the same manner, and by the same time as outlined for proxy forms.
