Ordinary Business

Annual Financial Report

The Annual Report 2017 (including the financial statement, Directors' report and Auditor's report for the financial year ended 30 June 2017) is available for review by Shareholders at www.aust-sino.com.au and will be tabled at the Meeting.

Whilst there is no requirement for Shareholders to approve the Annual Report, Shareholders will be offered the opportunity to:

- (a) discuss the Annual Report for the financial year ended 30 June 2017;
- (b) ask questions or make comment on the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the auditor's report.

Resolution 1 – Adoption of Remuneration Report

The Board submits its Remuneration Report for the year ended 30 June 2017 to Shareholders for consideration and adoption by way of a non-binding resolution.

The Remuneration Report is included in the 2017 Annual Report. The report:

- explains the Company's remuneration principles relating to the nature and amount of the remuneration of directors, senior managers and other group executives of the Company;
- discusses the relationship between such principles and the Company's performance; and
- sets out remuneration details for each director and for each relevant executive of the Company.

The vote on the Remuneration Report is advisory only and will not bind the Company, however the Board places importance on the outcome of the vote and will take it into account when considering the Company's remuneration policy.

The Corporations Act now provides for a 'two strikes rule' in relation to voting on the Remuneration Report. This rule would apply if, at two consecutive Annual General Meetings, the resolution for adoption of the Remuneration Report were to receive a 'no' vote of 25% or more of the votes cast on the resolution. In that case, a further resolution (a 'spill resolution') would be required to be put to Shareholders at the second of those Annual General Meetings. If passed, the spill resolution would require an extraordinary general meeting of the Company (a 'spill meeting') to be held within 90 days of the second Annual General Meeting, for the purpose of considering the election of Directors. At the spill meeting, the directors (other than the Managing Director) who were in office at the date of approval by the Board of the most recent Directors' Report would cease to hold office, unless re-elected at the meeting. For any spill resolution to be passed, more than 50% of the votes cast on the resolution must be in favour of it.

In addition, if comments are made on the Remuneration Report at an Annual General Meeting and 25% or more of the votes cast on Resolution 1 are against the adoption of the Remuneration Report, the Company's Remuneration Report for the subsequent financial year will be required to include an explanation of the Board's proposed action in response to those comments or, if no action is proposed, the Board's reasons for this.

Of the votes received at the Company's 2016 Annual General Meeting, 68% voted in favour of Resolution 1, 0.2% voted against Resolution 1 with the balance being abstained votes (32%). No comments were made on the Remuneration Report at the meeting.

During this item, Shareholders will be provided with a reasonable opportunity to ask questions about and make comments on the Remuneration Report.

Please read the information under the heading 'Chairman as proxy' which deals with the Chairman's voting of undirected proxies on this Resolution. A voting exclusion applies to this item of business, as set out in the Notice of Meeting.

The Board of Directors encourage Shareholders to vote on Resolution 1.

Background to Resolutions 2 to 6

ANS (then Padbury Mining) first developed a relationship with Mr Ding Chun Ming (Mr Ding) and his associate Aust-China Resources Group Ltd (ACR) in early 2014. The current directors of ANS were not involved with ANS at that stage.

An arrangement commenced in May 2014 pursuant to which Mr Ding Chun Ming would assist ANS to promote its plans to develop mining assets and port and rail economic infrastructure in the MidWest Region of Western Australia and to attract funding. The Directors have not been able to locate any formal written agreement between the Parties at that time.

Mr Ding has established an attractive office for ANS in the Hongqiao sector of Shanghai and has been actively engaged in advising and supporting the activities of ANS since that date including, but not limited to:

1. Meeting with senior representatives of the Central Government of the People's Republic of China (PRC), including from the National Development and Reform Commission (NDRC).
2. Meeting with representatives of the PRC Government in Western Australia.
3. Meeting with potential investors and debt providers to ANS.
4. Meeting with potential consortium partners in the proposed economic infrastructure solution in the MidWest.
5. Extensive meetings with the China representative of the WA Government with each of the NDRC, potential investors and potential consortium partners.
6. Arranging the finance for the set-up of the Shanghai office as well as the staffing and operation of that office.
7. Identifying and arranging the investors who contributed to ANS raising of capital up to its permitted limit of 15% in August 2016.

Following the resignation of the former directors and management team of ANS, the incoming Board entered into consulting arrangements with the former directors in late 2016 to assist in transition. At the end of the first quarter in 2017 a decision was taken to conclude these arrangements which was negotiated and finalised in April 2017.

Since that date the Directors have endeavoured, together with their advisors, including a leading Australian law firm, to formalise arrangements with Mr Ding and ACR and to secure their ongoing involvement and support. The Directors recognised that the Company's plans were highly dependent upon maintaining the involvement of Mr Ding.

By June 2017, the Directors had concluded that negotiating a satisfactory outcome and ongoing arrangement with Mr Ding and ACR and with an additional Chinese investor, Mr Song, who had invested in the set-up and operation of the Shanghai office, was likely to be fundamental to the Company being able to continue to be a going concern and to have realistic prospects of attracting further funding. Mr Ding / ACR (\$0.65 million) and Mr Song (\$0.5 million) had together, to 30 June 2017, contributed approximately \$1.15 million to the costs of set-up and operation of the Shanghai office.

The Directors successfully negotiated arrangements with Mr Ding and ACR to convert any and all past claims up to and including 31 August 2017, to secure a new contract with Mr Ding / ACR and to compensate Mr Ding / ACR fairly for past and future contributions. It was agreed by the Directors that an appropriate annual remuneration for Mr Ding / ACR was CNY2million (approximately \$385,000 pa.)

It was further agreed that this payment would be made in cash from 1 September 2017 onwards but that all past obligations would be settled by the issue of shares. In the opinion of the Directors, the value of the shares issued to ACR in settlement of past claims, as at the date of that agreement, was significantly less than \$0.01 per share. The Directors formed this view having regard to the likelihood that, had agreement not been reached by early September 2017, the Directors would have likely concluded that it was necessary to appoint a voluntary administrator to the Company. This view has subsequently been confirmed by an independent indicative valuation prepared by Contour Capital Pty Ltd (CCPL) obtained by the Directors for accounting and audit purposes¹.

The arrangements entered into are a package deal that comprise:

1. The issue of 265 million shares².
2. The payment of CNY 2 million per annum and \$1,000 per annum for signing on for the provision of management and Chairperson services.

Subsequent to entering into these arrangements, Mr Ding has successfully:

¹ This indicative valuation was prepared under arrangements with CCPL where liability was limited by a scheme prepared under professional standards legislation.

² The total estimated value of the financial benefits to be paid through this issue of shares is calculated at \$0.795 million, based on the deemed value of the shares to be issued of \$0.003 per share

1. Negotiated and completed the debt for equity swap of Mr Song's shares.
2. Negotiated and completed the raising of \$1.225 million from Zhongying Property Development Company Limited.

ACR is an entity associated with Mr Ding by way of a holding of approximately 90% of ACR's issued capital. Mr Ding is also the chairman of ACR.

Neither Mr Ding nor ACR has any existing shareholding in the Company.

This Notice of Meeting includes seeking the election of Mr Ding as a Director and Chairman of the Company (Resolution 2), the ratification of a consultancy services agreement with Aust-China Resources Group Ltd (ACR) and Mr Ding (Resolution 3), the ratification of a deed of release for full and final payment for all previous advice, services or assistance provided by ACR and Mr Ding (Resolution 4) and the issue of shares to ACR (Resolutions 5 and 6).

3. Meeting with potential investors and debt providers to ANS.
4. Meeting with potential consortium partners in the proposed economic infrastructure solution in the MidWest.
5. Extensive meetings with the China representative of the WA Government with each of the NDRC, potential investors and potential consortium partners.
6. Arranging the finance for the set-up of the Shanghai office as well as the staffing and operation of that office.
7. Identifying and arranging the investors who contributed to ANS raising of capital up to its permitted limit of 15% in August 2016.

At 30 June 2017, the Company had recorded a provision against a potential claim payable to Mr Ding and ACR in its audited financial statements of \$600,000 reflecting the estimated cost to the Company in settling this debt as at 30 June 2017.

The key commercial terms of this arrangement are as follows:

- The Company must grant ACR 200 Million fully paid ordinary shares in the Company (**Share Consideration**) or pay \$1.25 Million (**Cash Consideration**) by 1 November 2017 (subsequently extended to 30 November 2017) (**Satisfaction Date**). The shares if issued will be held in escrow for 12 months.
- ACR may elect no later than 7 days before the Satisfaction Date, whether to receive the Share Consideration or the Cash Consideration. Once ACR has made its election, that election is final and irrevocable unless otherwise agreed by the Company (in the Company's sole discretion).
- However, if by the Satisfaction Date, the Company:
 - (i) does not have at least \$2.5 million cash balance in its bank account(s) in Australia with an Australian financial institution; or

- (ii) the Board of the Company forms the reasonable opinion that the Company does not have the financial or legal capacity to provide the Cash Consideration, having regard to any existing or contingent debts or liabilities of the Company or its Related Bodies Corporate, applicable laws or accounting standards or reasonable and prudent business practices,

but the Company is able to grant the Share Consideration to ACR, then the Company may (in its sole discretion) instead grant the Share Consideration, in which case ACR will be deemed to have irrevocably elected to take the Share Consideration rather than the Cash Consideration.

- The Company will grant ACR an additional 65 Million fully paid ordinary shares in the Company in full and final satisfaction of other amounts otherwise payable to Mr Ding of not more than AUD650,000 by 1 September 2017 (if no shareholder approval is required) or by 1 November 2017 (subsequently extended to 30 November 2017) (if shareholder approval is required). These shares will be held in escrow for 12 months.
- The above arrangements are reflected in a Deed of Release executed between Mr Ding, ACR, the Company and its wholly owned subsidiaries but are subject to shareholder approval (if required).

The Company, ACR and Mr Ding has indicated that the Share Consideration is the preferred method for settling the debt, subject to the Company obtaining the relevant shareholder approvals, rather than the Cash Consideration which is subject to the additional abovementioned conditions. It is the Company's intention to issue the Share Consideration if shareholders approve this Resolution.

Mr Ding holds approximately 90% of ACR's issued capital and is the controlling shareholder and chairman of ACR.

Neither Mr Ding nor ACR has any existing shareholding in the Company.

The Group had cash balances of A\$1.68 Million at 28 September 2017 of which A\$1.04 Million was held in Australia with an Australian financial institution.

Pursuant to Resolution 4, Shareholders will be asked to consider and if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

"That for the purpose of Chapter 2E and s 208 of the Corporations Act, Listing Rule 10.11, and for all other purposes, the Shareholders approve and ratify execution of the Deed of Release, pursuant to which the Company has agreed to provide full and final payment to Mr Ding and ACR for any advice, services or assistance provided by them to the Company or its wholly owned subsidiaries since 2014."

Further details of the previous and current arrangements between the Company, ACR and Mr Ding is provided in the "background" section of the Explanatory Statement to this Notice of Meeting.

The Board of Directors, excluding Mr Ding, recommend that Shareholders vote in favour of Resolution 4. Other than Mr Ding, none of the other Directors has an interest in the outcome of Resolution 4.

This Resolution includes a voting exclusion statement, as noted in the Agenda for this Notice of Meeting.

Resolution 5 – Issue of 200 Million shares to Aust-China Resources Group Limited (ACR)

As noted above (refer explanatory statement for Resolution 4), under a Deed of Release the Company agreed to grant ACR 200 Million fully paid ordinary shares in the Company (**Share Consideration**) at a deemed issue price of 0.3 cents or pay \$1.25 Million (**Cash Consideration**) by 1 November 2017 (subsequently extended to 30 November 2017) to ACR in full and final payment to Mr Ding and ACR for any advice, services or assistance which they have provided to the Company or its wholly owned subsidiaries since 2014, subject to Shareholder approval, if required. The deemed issue price has been assessed based upon:

- the provision of \$600,000 brought to account at 30 June 2017 in respect of this matter (at an equivalent to 0.3 cents per share);
- the audited net asset backing of the Company as at 30 June 2017 being 0.06 cents per share;
- the Company's shares trading in the range of 0.3 to 0.7 cents per share in the year prior to entering into voluntary suspension;

- the assessed value of the equity in the Company immediately prior to the various agreements the subject of Resolutions 5 and 6, as determined in an independent indicative valuation prepared by CCPL. This assessed indicative value was determined with reference to the Company's unaudited management accounts as at 31 August 2017 and applied the realisation of assets methodology to determine a value of between 0.2 to 0.5 cents per share with a 'preferred' value of 0.3 cents per share³.

At 30 June 2017, the Company had recorded a provision against a potential claim payable to Mr Ding and ACR in its audited financial statements of \$600,000 reflecting the estimated cost to the Company in settling this debt as at 30 June 2017.

The Company, ACR and Mr Ding has indicated that the Share Consideration is the preferred method for settling the debt, subject to the Company obtaining the relevant shareholder approvals, rather than the Cash Consideration which is subject to the additional abovementioned conditions. It is the Company's intension to issue the Share Consideration if shareholders approve this Resolution.

Pursuant to Resolution 5, Shareholders will be requested to consider and if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

*"That for the purpose of Chapter 2E and s 208 of the Corporations Act, Listing Rule 10.11 and for all other purposes, the Shareholders approve the issue of 200 Million fully paid ordinary shares in the Company to ACR (**Share Consideration**) or the payment to ACR of \$1.25 Million (**Cash Consideration**)."*

As noted previously, Mr Ding holds approximately 90% of ACR's issued capital and is the controlling shareholder and chairman of ACR.

Neither Mr Ding nor ACR has any existing shareholding in the Company.

The Directors have determined a value of 0.3 cents per share to recognise the share based payment made to ACR in the Company's financial records and has also adopted this value as the deemed issue price of the shares the subject of Resolution 5.

The effect of this Resolution on the Company's capital structure is set out under the heading "Effect on Capital Structure" (refer to the Ordinary Business section of this Explanatory Statement above).

Further details of the previous and current arrangements between the Company, ACR and Mr Ding is provided in the "background" section of the Explanatory Statement to this Notice of Meeting.

The Board of Directors, excluding Mr Ding, recommend that Shareholders vote in favour of Resolution 5. Other than Mr Ding, none of the other Directors has an interest in the outcome of Resolution 5.

If Resolution 5 is approved, the Company expects to issue the shares by no later than 30 November 2017.

This Resolution includes a voting exclusion statement, as noted in the Agenda for this Notice of Meeting.

Resolution 6 – Issue of 65 Million additional shares to Aust-China Resources Group Limited (ACR)

As noted above, (refer explanatory statement for Resolution 4) under a Deed of Release the Company agreed to grant ACR an additional 65 Million fully paid ordinary shares in the Company to ACR by 1 November 2017 (subsequently extended to 30 November 2017) at a deemed issue price of 0.3 cents in full and final satisfaction of other amounts otherwise payable to Mr Ding of not more than AUD650,000, subject to Shareholder approval, if required. The deemed issue price has been assessed on the basis set out under Resolution 5 above. At 30 June 2017, the Company had a recorded liability

³ The principal assumptions underpinning the indicative valuation were that :

- Funds held in trust from Zhongying of \$1.2 million would be returned to Zhongying.
- A discount of between 20% to 40% would apply to book values in realising plant and equipment.
- A discount of 50% would apply to the value attributed in the most recent (2014) independent valuation of the company's mineral resources assets of between \$20.9 million to \$43.2 million with a preferred value of \$27 million.
- The company would settle all claims at full value and that administration costs would be of the order of \$0.25m to \$0.5m.

This indicative valuation was prepared under arrangements with CCPL where liability was limited by a scheme prepared under professional standards legislation.

payable to ACR in its audited financial statements of approximately \$250,000 reflecting the estimated cost to the Company in settling this obligation. The Company has not yet received or recorded any claims for expenses incurred or consulting services provided in the period between 1 July 2017 and 1 September 2017, but note that any such claims would be covered by the proposed issue of shares pursuant to this Resolution.

The issue of 65 Million shares to ACR / Mr Ding forms part of the package of arrangements agreed to reimburse for past costs incurred and charged to ANS, past costs incurred and not yet charged to ANS and for agreeing to enter into a Deed of Release.

Pursuant to Resolution 6, Shareholders will be requested to consider and if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

“That for the purpose of Chapter 2E and s 208 of the Corporations Act, Listing Rule 10.11 and all other purposes, the Shareholders approve the issue of 65 Million additional fully paid ordinary shares in the Company to ACR in full and final satisfaction of amounts otherwise payable to Mr Ding of not more than AUD650,000. .”

As noted previously, Mr Ding holds approximately 90% of ACR's issued capital and is the controlling shareholder and chairman of ACR.

The Directors have determined a value of 0.3 cents per share, on the same basis outlined in Resolution 5 above, to recognise the share based payment made to ACR in the Company's financial records and has also adopted this value as the deemed issue price of the shares the subject of Resolution 6.

The effect of this Resolution on the Company's capital structure is set out under the heading “Effect on Capital Structure” (refer to the Ordinary Business section of this Explanatory Statement above).

Further details of the previous and current arrangements between the Company, ACR and Mr Ding is provided in the “background” section of the Explanatory Statement to this Notice of Meeting.

The Board of Directors, excluding Mr Ding, recommend that Shareholders vote in favour of Resolution 6. Other than Mr Ding, none of the other Directors has an interest in the outcome of Resolution 6.

If Resolution 6 is approved, the Company expects to issue the shares by no later than 30 November 2017.

This Resolution includes a voting exclusion statement, as noted in the Agenda for this Notice of Meeting.

Resolution 7 — Ratification of shares issued by the Company to Zhongying Property Development Company Ltd (Zhongying)

The Company and Zhongying signed a subscription agreement in June 2016 under which the Company agreed to issue 200,000,000 fully paid ordinary shares to Zhongying at \$0.01 per share.

The Company issued an initial tranche of 77,715,047 shares to Zhongying in August 2016 in accordance with Listing Rule 7.1, but the remaining shares were not transferred in 2016 and the purchase price for those shares has been held in trust.

Following renewed negotiations between Zhongying and the Company's Chairman, Mr Chun Ming Ding, the following arrangements have been implemented with effect from 5 September 2017:

- The original subscription agreement signed by the Company and Zhongying was terminated.
- A new share subscription agreement was executed, pursuant to which the Company and Zhongying have agreed that the Company would issue 122,284,953 fully paid ordinary shares to Zhongying at an issue price of \$0.01 per Share (c AUD1,222,849.53 in aggregate).
- The new shares were to be issued to Zhongying without shareholder approval in accordance with Listing Rule 7.1.
- The terms of the new shares will be the same as other issued fully paid ordinary shares.
- The new shares will be held in escrow for 12 months.
- Zhongying gave its approval for the Company to transfer the funds currently held in trust as full and final payment of the purchase price for the new shares.

The funds made available to the Company will be used for working capital, exploration activities and to further progress the Company's activities in the Mid West Region of Western Australia, which centres around the continued development of an economically viable infrastructure solution that will open up the region. The initial focus of such activities is to collaborate with other mining companies to the south of the proposed port at Oakajee and to explore the potential for joint collaboration in mine and infrastructure development.

Pursuant to Resolution 7, Shareholders will be requested to consider and if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

"That the issue by the Company, on 5 September 2017, of 122,284,953 fully paid ordinary shares to Zhongying at an issue price of \$0.01 per Share (c. AUD1,222,849.53 in aggregate) in accordance with Listing Rule 7.1, be ratified."

The Board of Directors recommend that Shareholders vote in favour of Resolution 7.

This Resolution includes a voting exclusion statement, as noted in the Agenda for this Notice of Meeting.

Resolution 8 — Ratification of shares issued by the Company to Mr Song Zhi Yuan (Mr Song)

Mr Song was owed approximately AUD500,000 as at 30 June 2017 in respect of costs incurred in the set-up and fit out of the Shanghai office of the Company during 2014/2015. The Company still has the Shanghai office.

Pursuant to a Deed of Release executed on 5 September 2017, the Company agreed to issue 50,000,000 fully paid ordinary shares to Mr Song in accordance with Listing Rule 7.1, in full and final satisfaction of any claims which Mr Song would otherwise have in relation to the refurbishment of the Company's Shanghai office. The issue of these shares settled the liability of approximately AUD500,000 as recorded in the Company's audited 30 June 2017 financial statements.

These shares will be held in escrow for 12 months and have the same terms as other issued fully paid ordinary shares.

Pursuant to Resolution 8, Shareholders will be requested to consider and if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

"That the issue by the Company, on 5 September 2017, of 50,000,000 shares to Mr Song at an issue price of \$0.01 per share in accordance with Listing Rule 7.1, be ratified."

The Board of Directors recommend that Shareholders vote in favour of Resolution 8.
