

ASX ANNOUNCEMENT

31 October 2017
by e-lodgement

The Directors of Triple Energy Limited (ASX: **TNP**, **Triple** or **Company**) are pleased to provide the following update on activities during and since the quarter to 30 September 2017.

Shaanmei Project Areas (Triple Project Interest – 80%)

As previously announced, a cooperation agreement (**Agreement**) is in place with Shaanxi Province Coal Bed Methane Exploitation and Utilization Co. Ltd., a subsidiary of Shaanmei Coal Mining Company (**Shaanmei**).

The Agreement covers production sharing for Coal Bed Methane Drainage of three linked areas in Wangfeng and Sangshuping Mining Areas in Hancheng, Shaanxi Province and covers in excess of 160km². The Agreement provides for a profit-sharing arrangement whereby Triple, through its wholly-owned HK and PRC subsidiaries, will hold 80% profit interest.

Under the Agreement terms Triple was required to provide RMB5,000,000 (~A\$1,000,000) as a performance surety. As previously advised, TNP's parent, Beijing Gas Blue Sky Power (**BGBSP**) arranged and advanced this funding in support of TNP, with the funding initially in the form of a renewable loan facility between BGBSP and the project entity and BGBSP continues to support TNP in this respect.

During the quarter work performed has concentrated on technical studies to analyse regional geology and coal qualities and to attempt to identify appropriate potential well sites and drilling techniques both within the contracted project areas and other areas of potential future co-operation with Shaanmei. This work remains ongoing.

Aolong JV Project in Heilongjiang

No substantial exploration activity was again able to be carried out during the quarter. The joint venture partners are continuing to discuss necessary measures for closer cooperation in the Hegang area to minimize any future development conflicts as well as identifying other project areas suitable for gas production, having regard to the geological complexities apparent in the project area.

Corporate & Financial

Triple staff in HK and PRC, including and supported by BGBSP employees continue to work actively on the evaluation of other potential new projects consistent with the Company's strategy.

In early July 2017 Triple announced the appointment of Murray d’Almeida and Chris Berkefeld to the Board, together with the resignations of Paul Underwood and Garry Ralston with the new appointments then confirmed by Shareholders at the Company’s Annual General Meeting (**AGM**) in August 2017. At the AGM Shareholders also approved the consolidation of the Company’s shares on a 1:40 basis (which took effect in September 2017) and approved a proposed placement of up to 5,000,000 new Shares at \$0.16 per Share to raise up to \$800,000 before costs (**Placement**). Triple continues to work together with BGBSP on arranging the Placement and expects this to be finalized during November.

As of 30 September 2017 the Group’s consolidated cash balance was A\$604k, including funds held by the Aolong CJV in China but excluding funds held by the Shaanmei project entity (and associated debt facilities with BGBSP) pending transfer of the relevant subsidiaries.

An ASX Appendix 5B for the quarter accompanies this activities report.
