Letter from Managing Directors of Rajawali

14 November 2017

Dear IDO Shareholder

I am pleased to present you with this offer (**Offer**) from PT Surya Langgeng Utama (**Bidder**), a directly wholly owned subsidiary of PT Rajawali Corpora, known as Rajawali Group (**Rajawali**), to acquire all of your shares in Indo Mines Limited ACN 009 245 210 (**IDO**) for \$0.02 cash per IDO Share (the **Offer Price**).

Rajawali, through its Associates Rajawali Group International Ltd., Yogya Metals and Mining Ltd, and Java Metals and Mining Ltd, owns approximately 57.12% of the issued ordinary share capital of IDO. With a supportive view of IDO's strategy and management, Rajawali wishes to acquire all of the issued fully paid ordinary shares of IDO that Rajawali and its Associate do not already own.

This Bidder's Statement contains the Offer by the Bidder to acquire each of your IDO Shares for \$0.02 in cash and will remain open until [*] 2017 unless extended or withdrawn.

Rajawali is a leading investment holding company based in Jakarta, Indonesia. The corporation was established in 1984 and has developed into a regional player with proven track records and significant milestones. Driven by a philosophy that seeks to add value to stakeholders, Rajawali has successfully engaged in several major business ventures and business portfolios, ranging from agriculture, infrastructure, information, communication & technology, consumer good, media broadcast, mining & resources, property & hotels, retail, and transportation services. Further information regarding Rajawali is set out in Section 4 of this Bidder's Statement.

The Bidder is supportive of the strategy executed by management and the IDO Board to date and, going forward, the Bidder and Rajawali intend to continue to be supportive shareholders of IDO.

Toward this end, the Bidder believes that Rajawali's operating experience, broad relationships and access to capital would be assets in helping IDO chart and execute against the best path forward.

In relation to the Offer, we believe that the reasons for accepting it include:

- the offer price for your IDO Shares will be paid to you in cash, enabling you to realise certain and immediate value for your IDO Shares through 100% cash consideration (subject to the Offer conditions being satisfied or waived);
- given the current lack of liquidity in IDO Shares, the Offer provides a rare opportunity and potential liquidity event for IDO shareholders who wish to exit their investment;
- the Offer is the only offer currently available to IDO Shareholders, and given the relevant interests of Rajawali and its associates in IDO, there are limited prospects of any competing proposal emerging and trading may be even less liquid following the Offer, if the Bidder increases its shareholding in IDO through the Offer;
- the Offer removes any risks and uncertainties that could otherwise affect the future value of your IDO Shares; and
- the Bidder intends to compulsorily acquire your IDO Shares if entitled to do so.

The Offer is being made by way of an off-market offer by the Bidder. Particulars of the Offer were set out in an announcement by the Bidder to ASX on 10 November 2017. A copy of the Announcement is set out at Appendix A to this Bidder's Statement.

The Offer is scheduled to close at the close of trading on [*] 2017, unless it is extended or withdrawn in accordance with the Corporations Act.

To accept the Offer with respect to your IDO Shares, please follow the instructions set out in Section 3.3 of the Bidder's Statement.

The Bidder's Statement contains important information which you should read in full. If you have any questions about the Offer, please contact your legal, financial or other professional adviser or call the shareholder information line on 1300 145 325 (callers in Australia) or +61 3 9415 4110 (callers outside Australia) Monday to Friday between 8.30am and 5.00pm (AEDT).

1 REASONS TO ACCEPT THE OFFER

There are a number of reasons why you should accept the Offer. These include:

<p>1. Accepting the Offer enables you to realise certain and immediate value for any or all of your IDO Shares through 100% cash consideration</p>	<p>The Offer is to acquire all of your IDO Shares for 100% cash consideration. Consequently, if you accept the Offer you will receive \$0.02 in cash for each IDO Share.</p> <p>Being an 'all cash' offer, the Offer provides you with an opportunity to realise certain value for your entire IDO shareholding, with no exposure to the potential risks associated with a continuing investment in IDO.</p> <p>IDO Shareholders who accept the Offer will be paid by the earlier of one month after the Offer becomes or is declared unconditional and within 21 days after the end of the Offer Period.</p> <p>The Offer is subject to limited conditions, being a 90% minimum acceptance condition, no prescribed occurrences occurring in relation to IDO, no actions affecting the business of IDO being undertaken by, or occurring in relation to, IDO and no litigation being threatened or commencing against IDO. The Offer is not subject to a financing condition or any regulatory approval conditions. The conditions to the Offer are set out in full in Section 3.7. The status of these conditions as at the date of this Bidder's Statement is set out in Section 3.8.4.</p>
<p>2. Access to full liquidity</p>	<p>IDO Shares currently trade at low volumes on ASX. The average daily trading volume for IDO Shares in the last three months prior to 27 October 2017, being the last day on which IDO Shares were traded on ASX before the Announcement Date was 130,080 shares. As a result, in the absence of the Offer there is no guarantee that IDO Shareholders would be able to liquidate all of their shareholding in IDO in a single transaction. The Offer provides you with an opportunity to dispose of all of your IDO Shares in a single transaction for certain cash value.</p>
<p>3. You will be paid certain value for your IDO Shares and your exposure to the risks (including insolvency risks) and uncertainties associated with a continued investment in IDO will be removed</p>	<p>The choice for IDO Shareholders is between an all cash offer of certain value, selling your IDO Shares on-market at the prevailing market price¹ or an alternative uncertain future value of IDO Shares.</p> <p>The Offer gives you certainty about the value of consideration being offered (subject to the Conditions being satisfied or waived) and removes your exposure to any risk associated with continuing to hold IDO Shares.</p>

¹ The closing price of IDO Shares on ASX on 13 November 2017, being the last Trading Day prior to the date of this Bidder's Statement, was \$0.020.

	<p>The certainty of this receipt of cash should be compared with the uncertainties of, and risks associated with, remaining an IDO Shareholder. You can choose, in effect, between an all-cash offer of certain value which is available now and future uncertain value by retaining your IDO Shares.</p>
<p>4. Loss of control to the other shareholders</p>	<p>As the Bidder and its Associates already have Voting Power in approximately 57.12% of IDO's issued share capital as at the date of this Bidder's Statement, the Bidder (and its Associates) already have effective control of IDO through the ability to pass ordinary resolutions without the need for additional IDO Shareholder support.</p> <p>If the Bidder group acquires greater control of IDO, the Bidder (and its Associates) may be able to pass special resolutions without the need for additional IDO Shareholder support. The Bidder's intentions in these circumstances are set out in Section 6 of this Bidder's Statement.</p> <p>The presence of a controlling shareholder gives rise to a risk that IDO is considered a less attractive investment. For example, the market may perceive that control transactions are less likely, and if the Bidder was successful in applying to ASX to delist IDO, this may have a material effect on the value of IDO Shares.</p> <p>Therefore, by not accepting the Offer, there is a risk that IDO Shareholders may become minority shareholders in an unlisted public company.</p> <p>If the Bidder decides not to seek a delisting of IDO or if a delisting application to ASX is unsuccessful there is a risk that trading in IDO Shares will be even less liquid than it has been historically</p>
<p>5. Limited risks of Offer completion</p>	<p>The Bidder will fund the Offer through existing cash at hand (and capital provided under capital commitments from the members of the Bidder group to the extent necessary) so that you can be confident there will be sufficient funds to complete the Offer.</p>
<p>6. The Offer is the only takeover offer presently available for your IDO Shares</p>	<p>As at the date of this Bidder's Statement, the Bidder is not aware of any other party that has made an approach to IDO.</p> <p>In addition, the Bidder and its Associates hold Voting Power in 307,317,294 IDO Shares, which represents approximately 57.12% of IDO's current issued share capital, and is represented on the IDO Board by Hendra Surya (the Chief Executive Officer of the Mining and Resources portfolio of Rajawali).</p> <p>Given the Bidder's and its Associates' degree of control in relation to IDO and that they have no intention of reducing their interest in IDO, it will not be possible for another party to proceed to</p>

	compulsory acquisition and as such, there is a low likelihood of a bidder seeking to make a counter offer.
7. The Bidder intends to compulsorily acquire your IDO Shares if entitled to do so	If the Bidder becomes entitled to compulsorily acquire your IDO Shares following the Offer, it intends to exercise those rights. While you will still receive the Offer Price of \$0.02 if your IDO Shares are compulsorily acquired, payment will occur later than payments made to IDO Shareholders who accept the Offer.
8. No brokerage by accepting the Offer	By accepting the Offer, you will not pay any brokerage. You may incur brokerage costs if you choose to sell your IDO Shares on-market or instruct your Broker to accept the Offer on your behalf.

You should read the entire Bidder's Statement and IDO's Target's Statement before deciding whether to accept the Offer.

3.3.2 Accept for all your IDO Shares

You can only accept this Offer during the Offer Period and for all your IDO Shares.

You will be taken to have accepted the Offer for all your IDO Shares plus any additional IDO Shares held by you at the date your acceptance is processed (despite any difference between that number and the number of IDO Shares specified on your Acceptance Form when you accept this Offer).

3.3.3 CHESSE Holdings

If your IDO Shares are held in a CHESSE Holding (in which case your Holder Identification Number is prefixed with 'X'), to accept this Offer in respect of those IDO Shares, you must either:

- (a) **complete and sign** the enclosed Acceptance Form in accordance with the instructions on it. Once completed and signed, you need to **return** the Acceptance Form (using the enclosed reply paid envelope if you wish) together with all other documents required by those instructions so that they are **received** at the address given on the Acceptance Form before the end of the Offer Period. This will authorise the Bidder to initiate, or alternatively to instruct your Controlling Participant to initiate, acceptance of this Offer on your behalf in accordance with rule 14.14 of the ASX Settlement Operating Rules before the end of the Offer Period. You must ensure that the Acceptance Form (and the other required documents) are received in sufficient time for the Bidder to give instructions to your Controlling Participant, and for your Controlling Participant, to carry out those instructions, before the end of the Offer Period; or
- (b) **instruct** your Controlling Participant (usually your Broker), in accordance with the sponsorship agreement between you and the Controlling Participant, to initiate acceptance of this Offer in accordance with rule 14.14 of the ASX Settlement Operating Rules, so as to be effective before the end of the Offer Period.

However, if you are the Controlling Participant in respect of your IDO Shares, to accept this Offer you must yourself initiate acceptance of this Offer under rule 14.14 of the ASX Settlement Operating Rules so as to be effective before the end of the Offer Period.

3.3.4 Issuer Sponsored Holdings and other holdings

If your IDO Shares are held in an Issuer Sponsored Holding (in which case your Securityholder Reference Number is prefixed with 'I'), to accept this Offer in respect of those IDO Shares, you must:

- (a) **complete and sign** the enclosed Acceptance Form in accordance with the instructions on it; and
- (b) **return** the Acceptance Form (using the enclosed reply paid envelope if you wish) together with all other documents required by the instructions on it to the address specified on the Acceptance Form so that they are received before the end of the Offer Period.

3.3.5 Institutional Acceptance Facility

The Bidder recognises that some of the IDO Shareholders may be unable to accept the Offer, for example by reason of their investment mandates, until the Offer becomes or is declared unconditional. Accordingly, the Bidder is considering establishing an institutional acceptance facility (**Facility**) in relation to the Offer. The Facility would only be open to professional investors under the Corporations Act (**Eligible IDO Shareholders**). The Facility would enable Eligible IDO Shareholders to indicate their intention to accept the Offer.

If the Bidder decides to establish the Facility, it will inform IDO Shareholders once the Facility is established.

3.4 Foreign Laws

This Offer is not registered in any jurisdiction outside Australia (unless an applicable Foreign Law treats it as registered as a result of the Bidder's Statement being lodged with ASIC). It is your sole responsibility to satisfy yourself that you are permitted by any Foreign Law applicable to you to accept this Offer.

3.5 Status and effect of Acceptance Forms

3.5.1 Status of Acceptance Form

By completing, signing and returning the Acceptance Form in accordance with Section 3.3.3 or Section 3.3.4 as applicable, you irrevocably authorise the Bidder, its nominees and each of their respective officers and agents:

- (a) to rectify any errors in, or omissions from, the Acceptance Form that are necessary to make it an effective acceptance of this Offer or to enable registration of the transfer of all of your IDO Shares to the Bidder; and
- (b) if any of your IDO Shares are in a CHESS Holding, to:
 - (i) initiate, or alternatively instruct your Controlling Participant to initiate, acceptance of this Offer in respect of all such IDO Shares in accordance with rule 14.14 of the ASX Settlement Operating Rules; and
 - (ii) give any other instructions concerning those IDO Shares to your Controlling Participant on your behalf under the sponsorship agreement between you and the Controlling Participant, as determined by the Bidder acting in its own interests as a beneficial owner and intended registered holder of your IDO Shares.

3.5.2 Validation of otherwise ineffective acceptances

Subject to the paragraphs below in this Section 3.5.2, your acceptance of the Offer will not be valid unless it is made in accordance with the procedures set out in Section 3.3.

The Bidder will determine, in its sole discretion, all questions as to the form of documents, eligibility to accept the Offer and time of receipt of an acceptance of the Offer. The Bidder is not required to communicate with you prior to making this determination. This determination of the Bidder will be final and binding on all parties.

Notwithstanding any other term or condition to the contrary and except for IDO Shares in a CHESS Holding, the Bidder may treat the receipt by it of a signed Acceptance Form as a valid acceptance of this Offer even though it does not receive the other documents required by the instructions on the Acceptance Form or there is not compliance with any one or more of the other requirements for acceptance. If the Bidder does treat such an Acceptance Form as valid, subject to Section 3.9, the Bidder will not be obliged to give the consideration to you until the Bidder receives all those documents and all of the requirements for acceptance referred to in Section 3.3 and in the Acceptance Form have been met (other than the requirement of your Acceptance Form to be received before the end of the Offer Period).

Where you have satisfied the requirements for acceptance in respect of some of your IDO Shares, the Bidder may, in its sole discretion, regard the Offer to be accepted in respect of those of your IDO Shares but not the remainder.

The Bidder will provide the consideration to you in accordance with Section 3.9, in respect of any part of an acceptance determined by the Bidder to be valid.

3.5.3 Risk in Acceptance Form

The transmission by you of the Acceptance Form and any other documents in accordance with Section 3.3 is at your own risk. No acknowledgement of receipt of any such documents will be given to you by or on behalf of the Bidder.

3.5.4 Revocation of acceptance

Once you have accepted this Offer, you will be unable to revoke your acceptance other than as follows and the contract resulting from your acceptance will be binding on you:

- (a) if a Condition, as set out in Section 3.7, is not fulfilled or waived, then this Offer will automatically terminate and your IDO Shares will be returned to you; or
- (b) if the Offer Period is extended for more than a month and, at the time, this Offer is subject to one or more Conditions, as set out in Section 3.7, then you may be able to withdraw your acceptance in accordance with Section 650E of the Corporations Act.

3.5.5 Powers of attorney

If the Acceptance Form is signed under power of attorney, the attorney declares that the attorney has no notice of revocation of the power and is empowered to delegate powers under the power of attorney under Sections 3.5 to paragraphs(e) and (h) of Section 3.6.

3.6 Your agreement

By signing and returning the Acceptance Form or initiating or causing acceptance of this Offer under the ASX Settlement Operating Rules in accordance with Section 3.3:

- (a) you accept this Offer in respect of all your IDO Shares registered as held by you at the date your acceptance is processed despite any difference between that number and the number of IDO Shares specified in the Acceptance Form and agree to the terms and conditions of this Offer;
- (b) subject to all of the Conditions being fulfilled or waived, you transfer, and consent to the transfer in accordance with the ASX Settlement Operating Rules of, all of your IDO Shares to the Bidder in accordance with this Offer and subject to the conditions of the constitution of IDO on which they were held immediately before your acceptance of this Offer (and the Bidder agrees to take those IDO Shares subject to those conditions);
- (c) you represent and warrant to the Bidder that, at the time of your acceptance of this Offer and at the time the transfer of your IDO Shares to the Bidder is registered:
 - (i) all of your IDO Shares are and will be fully paid up;
 - (ii) you have full power and capacity to accept the Offer and to sell and transfer the legal and beneficial ownership of your IDO Shares to the Bidder; and

- (iii) the Bidder will acquire good title to your IDO Shares and beneficial ownership of those shares free from all Encumbrances, interests of third parties of any kind (whether legal or otherwise) and restrictions on transfer;
- (d) you irrevocably authorise the Bidder to notify IDO on your behalf that your place of address for the purpose of serving notices upon you in respect of your IDO Shares is the address specified by the Bidder in the notification;
- (e) if and when the contract resulting from your acceptance of this Offer becomes unconditional, you irrevocably appoint the Bidder and each director of, and any nominee of, the Bidder severally as your attorney to exercise all powers and rights that you have as the registered holder of your IDO Shares, including:
 - (iv) attending any meeting of IDO, and voting in respect of your IDO Shares, proposing or seconding any motion, and demanding a poll for any vote at, any such meeting;
 - (v) requisitioning the convening of any general meeting of IDO and convening a general meeting pursuant to any such requisition; and
 - (vi) executing any and all forms, notices, instruments, documents (including any proxy appointment) relating to your IDO Shares,

and such appointment will terminate on the earlier of the withdrawal of your acceptance of this Offer in accordance with its terms and the end of the Offer Period, or if all Conditions of the Offer have been fulfilled or waived, the registration of the Bidder as the holder of your IDO Shares;

- (f) you agree that, in exercising the powers and rights conferred by the power of attorney in Section 3.6(e) of this Bidder's Statement, each attorney is entitled to act in the interests of the Bidder as the intended registered holder and beneficial owner of your IDO Shares;
- (g) except as contemplated by Section 3.6(e) and while the appointment in that Section continues, you agree not to attend or vote in person or by proxy, attorney or corporate representative at any meeting of IDO, or to exercise, or to purport to exercise (in person, by proxy, attorney or corporate representative or otherwise) any of the powers conferred by the power of attorney in Section 3.6(e);
- (h) if and when the contract resulting from your acceptance of this Offer becomes unconditional (even though the Bidder has not yet paid or provided the consideration due to you), you irrevocably authorise the Bidder and its nominees to do all things necessary to transfer your IDO Shares to the Bidder (including to cause a message to be transmitted in accordance with rule 14.17.1 of the ASX Settlement Operating Rules so as to transfer your IDO Shares, if held in a CHESS Holding, to the Bidder's Takeover Transferee Holding and to enter those of your IDO Shares which are in an Issuer Sponsored Holding into the Bidder's name);
- (i) you agree to do all such acts, matters and things that the Bidder may require to give effect to the matters the subject of this Section 3.6 (including the execution of a written form of proxy to the same effect as this Section 3.6 which complies in all respects with the requirements of the constitution of IDO) if requested by the Bidder;
- (j) you agree to indemnify the Bidder and each of its agents in respect of any claim or action against it or any loss, damage or liability whatsoever incurred by it as a result

of you not producing your Holder Identification Number or Securityholder Reference Number or in consequence of the transfer of your IDO Shares to the Bidder being registered by IDO without production of your Holder Identification Number or Securityholder Reference Number;

- (k) you irrevocably authorise and direct IDO to pay to the Bidder, or to account to the Bidder, for all Rights in respect of your IDO Shares (except to the extent the Bidder elects to waive its entitlement to those Rights). This is subject to any such Rights received by the Bidder being accounted for by the Bidder to you, in the event that this Offer is rescinded or rendered void;
- (l) except where Rights have been paid or accounted for under Section 3.6(k), or the Bidder has waived its entitlement as permitted by Section 3.9.5, you irrevocably authorise the Bidder to deduct from the consideration payable in respect of your IDO Shares, the value of any Rights paid to you in respect of your IDO Shares which, where the Rights take a non-cash form, will be the value of those Rights as reasonably assessed by the Bidder; and
- (m) you represent and warrant to the Bidder that, unless you have notified it in accordance with Sections 3.10.3 and 3.10.4, your IDO Shares do not consist of separate parcels of IDO Shares.

The representations, warranties, authorities and indemnity referred to in this Section 3.6 will (unless otherwise stated) remain in force after you receive the Offer consideration for your IDO Shares and after the Bidder becomes the registered holder of those shares.

3.7 Conditions

This Offer and the contract resulting from acceptance of this Offer are subject to the fulfilment of the following Conditions:

3.8 Nature and operation of Conditions

3.8.1 Separate Conditions for benefit of the Bidder

Each paragraph and sub-paragraph of Section 3.7 constitutes, and is to be construed as, a separate, several and distinct Condition. No Condition will be taken to limit the meaning or effect of any other Condition.

Subject to the Corporations Act, each Condition operates only for the benefit of the Bidder and any breach or non-fulfilment of such condition may be relied upon only by the Bidder which may waive (generally or in respect of a particular event) the breach or non-fulfilment of that condition.

3.8.2 Nature of Conditions

The Conditions contained in Section 3.7 are conditions subsequent to the formation of a binding contract upon your acceptance of this Offer. None of those Conditions prevent a contract to sell your IDO Shares resulting from your acceptance of this Offer, but:

- (a) breach of any of the Conditions entitles the Bidder to rescind that contract by written notice to you; and
- (b) non fulfilment of any of the Conditions at the end of the Offer Period will have the consequences set out in Section 3.8.5.

3.8.3 Notice declaring Offers free of Conditions

Subject to the Corporations Act, the Bidder may free this Offer and any contract resulting from your acceptance of this Offer from all or any of the Conditions generally or in relation to a specific occurrence by giving written notice to IDO:

- (a) in the case of the Conditions in Section 3.7.2 of this Bidder's Statement, not later than 3 Business Days after the end of the Offer Period; and
- (b) in the case of all other Conditions, not less than 7 Business Days before the last day of the Offer Period.

3.8.4 Notice of status of Conditions

The date for giving the notice on the status of the Conditions as required by section 630(1) of the Corporations Act is [*] 2017 (subject to extension in accordance with the Corporations Act if the Offer Period is extended).

3.8.5 Contract void if Conditions not fulfilled

Your acceptance of this Offer, and any contract resulting from your acceptance of this Offer, will be automatically void if:

- (a) at the end of the Offer Period, any of the Conditions is not fulfilled; and
- (b) the Bidder has not declared this Offer and any contract resulting from your acceptance of it free from that Condition in accordance with Section 3.8.3.

3.9 Payment of consideration

3.9.1 When will the Bidder pay you?

Subject to this Section 3.9 and the Corporations Act, if you accept this Offer and the Conditions are fulfilled or waived, the Bidder will pay you the consideration for your IDO Shares under this Offer by the earlier of:

- (a) the day that is 1 month after the date you accept this Offer or, if at the time of your acceptance this Offer is subject to a Condition, 1 month after any contract resulting from your acceptance of this Offer becomes unconditional; and
- (b) the day that is 21 days after the end of the Offer Period.

3.9.2 Payment where additional documents required

Where additional documents are required, either by the Acceptance Form or otherwise, to be given to the Bidder with your acceptance to enable the Bidder to become the holder of your IDO Shares (such as a power of attorney) then, subject to Sections 3.9.3 to 3.9.7 and the Corporations Act:

- (a) if those documents are given to the Bidder with your acceptance, the Bidder will pay you the consideration for your IDO Shares in accordance with Section 3.9.1;
- (b) if those documents are given to the Bidder after your acceptance and before the end of the Offer Period, while the Offer is subject to a Condition, the Bidder will pay you the consideration for your IDO Shares by the earlier of:
 - (i) 1 month after any contract resulting from your acceptance of this Offer becomes unconditional; and
 - (ii) 21 days after the end of the Offer Period;
- (c) if those documents are given to the Bidder after your acceptance and before the end of the Offer Period, while the Offer is no longer subject to a Condition, the Bidder will pay you the consideration for your IDO Shares by the earlier of:
 - (i) 1 month after the Bidder is given those documents; and
 - (ii) 21 days after the end of the Offer Period; or
- (d) if those documents are given to the Bidder after the end of the Offer Period, the Bidder will pay you the consideration for your IDO Shares within 21 days after those documents are given. However, if at the time those documents are given to the Bidder, the contract resulting from your acceptance of this Offer is still subject to a Condition in Section 3.7, the Bidder will pay you the consideration for your IDO Shares within 21 days after the contract becomes unconditional.

3.9.3 Delivery of consideration

Payment of any cash amount to which you are entitled will be made by cheque drawn in Australian currency in your favour. The cheque will be sent to you, at your risk, by ordinary mail (or, in the case of IDO Shareholders with addresses outside Australia, by airmail) to your address shown on the Acceptance Form or the address for you last notified to the Bidder by IDO. Payment will be deemed to have been made at the time the cheque is delivered to Australia Post for delivery or placed in an Australia Post postal box.

3.9.4 Return of documents

If this Offer does not become unconditional or any contract arising from this Offer is rescinded by the Bidder on the grounds of a breach of a condition of that contract, the Bidder will, at its election, either return by post to you at the address shown on the Acceptance Form any Acceptance Form and any other documents sent with it by you, or destroy those documents and notify the ASX of this.

3.9.5 Rights

If the Bidder becomes entitled to any Rights as a result of your acceptance of this Offer, it may require you to give to the Bidder all documents necessary to vest title to those Rights in the Bidder, or otherwise to give the Bidder the benefit or value of those Rights. If you do not do so, or if you have received or are entitled to receive (or any previous holder of your IDO Shares has received or is entitled to receive) the benefit of those Rights, the Bidder may deduct the amount (or an amount equal to the value as reasonably assessed by the Bidder) of those Rights together with an amount equal to 100% of the face value of any franking credits attached to those Rights, from any consideration otherwise payable to you under this Offer. If the Bidder does not, or cannot, make such a deduction, you must pay that amount to the Bidder, except to the extent the Bidder elects to waive its entitlement to those Rights.

3.9.6 Non-Australian residents

If, at the time you accept this Offer, any authority or clearance of a Public Authority is required for you to receive any consideration under this Offer or you are a resident of a place to which, or you are a person to whom any law (including any regulations) of Australia that would make it unlawful for the Bidder to provide consideration for your IDO Shares (eg, The Banking (Foreign Exchange) Regulations 1959 (Cth) and Part 4 of the Charter of the United Nations Act 1945 (Cth) and any regulations under that act), then acceptance of this Offer will not create or transfer to you any right (contractual or contingent) to receive the consideration specified in this Offer unless and until all requisite authorities or clearances have been received by the Bidder. See Section 10.5 for information known to the Bidder as to whether this restriction may apply to you.

3.9.7 Withholding of consideration by the Bidder

If any amount (**withholding amount**) is required, under any Australian law or by any Public Authority, to be:

- (a) withheld from any consideration otherwise payable to you under this Offer and paid to a Public Authority; or
- (b) retained by the Bidder out of any consideration otherwise payable to you under this Offer,

the payment or retention by the Bidder of the withholding amount (as applicable) will constitute full discharge of the Bidder's obligation to pay the consideration to you to the extent of the withholding amount.

3.10 Offerees

3.10.1 Registered Holders

The Bidder is making an offer in the form of this Offer to:

- (a) each person registered as the holder of IDO Shares in the register of members of IDO as at the Register Date; and
- (b) each person who, during the period from the Register Date to the end of the Offer Period, becomes registered or entitled to be registered as the holder of IDO Shares (whether or not they are registered or entitled to be registered as the holder of other IDO Shares) due to the conversion of, or exercise of rights attached to, other securities convertible into IDO Shares that are on issue at the Register Date.

3.10.2 Transferees

If at any time during the Offer Period, another person is able to give good title to some or all of your IDO Shares, and that person has not already accepted an offer in the form of this Offer for those IDO Shares, then that person may accept as if an offer in the form of this Offer had been made to them in respect of those IDO Shares.

3.10.3 Trustees and nominees

If at any time during the Offer Period and before you accept this Offer your IDO Shares consist of 2 or more separate parcels within the meaning of section 653B of the Corporations Act (for example, because you hold your IDO Shares as trustee or nominee for, or otherwise on account of, several distinct beneficial owners), then you may accept as if a separate offer in the form of this Offer has been made in relation to each separate parcel of IDO Shares (including any parcel you hold in your own right). Acceptance for any parcel of IDO Shares (including any parcel consisting of 2 or more parcels) is ineffective unless:

- (a) you give the Bidder notice stating that the IDO Shares consist of separate and distinct parcels, such notice being:
 - (iii) in the case of IDO Shares not in a CHESS Holding, in writing; or
 - (iv) in the case of IDO Shares in a CHESS Holding, in an electronic form approved by the ASX Settlement Operating Rules for the purposes of Part 6.8 of the Corporations Act; and
- (b) your acceptance specifies the number of IDO Shares in each separate and distinct parcel to which the acceptance relates.

3.10.4 IDO Shares subject to transfer restrictions

If at any time during the Offer Period, some of your IDO Shares are subject to transfer restrictions imposed by IDO, then you may accept as if a separate offer in the form of this Offer had been made in relation to the balance of your IDO Shares. Acceptance for the balance of your IDO Shares is ineffective unless you give the Bidder notice stating the number of your IDO Shares that are subject to a transfer restriction and explaining the nature of the restriction, and your acceptance specifies the balance of your IDO Shares.

3.11 Variation and withdrawal of Offer

3.11.1 Variation

The Bidder may vary this Offer in accordance with the Corporations Act.

3.11.2 Withdrawal

This Offer may be withdrawn with the written consent of ASIC, which consent may be subject to conditions. If so, the Bidder will give notice of the withdrawal to ASX and to IDO and will comply with any other conditions imposed by ASIC.

3.12 Additional copies of Offer documents

If, for the purpose of accepting the Offer, you require additional copies of this Bidder's Statement and the Acceptance Form, please call the Offer Information Line on 1300 145 325 (within Australia) or +61 3 9415 4110 (from outside Australia) to request those additional copies.

3.13 Costs and stamp duty

The Bidder will pay all costs and expenses of the preparation and circulation of this Offer and any potential Australian stamp duty payable on the transfer of any IDO Shares to the Bidder under this Offer.

If you hold your IDO Shares through an Issuer Sponsored Holding in your name and you deliver them directly to the Bidder, you will not incur any brokerage fees in connection with your acceptance of this Offer.

If you hold your IDO Shares through a CHESS Holding or you hold your IDO Shares through a bank, custodian or other nominee, you should ask your Controlling Participant (usually, your Broker) or the bank, custodian or other nominee whether it will charge any transaction fees or service charges in connection with your acceptance of this Offer.

3.14 Notices

Any notice to be given by the Bidder to you in connection with this Offer may be given to you by leaving it at or sending it by pre-paid ordinary mail, or in the case of any address outside Australia, by pre-paid airmail to you at your address as recorded in the register of members of IDO on the Register Date or the address shown in the Acceptance Form or the address for you last notified to the Bidder by IDO.

3.15 Governing law and jurisdiction

This Offer and any contract resulting from your acceptance of this Offer are governed by the laws of New South Wales. In relation to them and related non-contractual matters, each party submits to the non-exclusive jurisdiction of courts with jurisdiction there, and waives any right to object to the venue or any ground.

PT JMI holds a Contract of Work (**CoW**) concession in the Kulon Progo region, ~30 kilometres from the Javanese city of Yogyakarta. The CoW holds a production license to mine iron sands and produce pig iron within a 2,977 hectare area. The area covered by the license is approximately a 22 kilometre long by 1.8 kilometre wide stretch of beach, between the Kulon Progo and Serang Rivers.

6 INTENTIONS OF THE BIDDER

6.1 Overview

This Section 6 sets out the Bidder's intentions, on the basis of the facts and information concerning IDO which are known to it and the existing circumstances affecting the business of IDO, as at the date of this Bidder's Statement, in relation to:

- the continued operation of the business of IDO;
- any major changes to be made to the business of IDO including any redeployment of the fixed assets of IDO; and
- the future employment of the present employees of IDO.

6.2 Review

The intentions, views, estimations, undertakings and beliefs of Rajawali and its Associates are wholly consistent with the intentions, views, estimations, undertakings and beliefs of the Bidder (and vice versa).

The Bidder has reviewed information that is publicly available concerning IDO and its businesses and assets.

Hendra Surya is a director of IDO and the Chief Executive Officer of the Mining and Resources portfolio of Rajawali. As a result, information about IDO may as a matter of law or fact be imputed to or known by the Bidder. However, the Bidder considers that it has no such information that is material to the price or value of IDO Shares that is not in the public domain. Further, no such information has been used by the Bidder to form any intentions to seek to change the business of IDO or the future employment of the present employees of IDO.

At the conclusion of the Offer Period, the Bidder intends, to the extent that information is available to it, to conduct a review of IDO and its operations, assets, liabilities, structure and employees, following which it will review its intentions set out in this Section 6. Final decisions will only be reached after that review has been concluded and the results evaluated and in light of all material information, facts and circumstances that exist at the time.

Consequently, the statements set out in this Section 6 are statements of the Bidder's current intentions only and may vary as circumstances and further information arise. The statements in this section should be read in this context.

Under the Offer, the Bidder may or may not acquire 100% of the IDO Shares that the Bidder and its Associates do not already own. As at the date of this Bidder's Statement, the Bidder has no plan to pursue a further off market offer in relation to the IDO Shares in the future, but it has not ruled out doing so at its discretion (and therefore reserves the right to do so) including, for example, within six months of the end of the Offer Period.

6.3 Intentions upon acquiring 90% or more of IDO Shares

The Bidder's intentions, if it (and its Associates) acquires a relevant interest in 90% or more of the IDO Shares and is entitled to proceed to compulsory acquisition of the outstanding IDO Shares, are set out below:

Compulsory acquisition

In the event the Bidder becomes entitled to do so under the Corporations Act, it intends to:

- give notices to IDO Shareholders to compulsorily acquire outstanding IDO Shares after the end of the Offer Period and in the six weeks after the Bidder gives compulsory acquisition notices in accordance with section 661B of the Corporations Act; and/or
- if permitted, give notices to IDO Shareholders to compulsorily acquire all outstanding IDO Shares in accordance with section 664C of the Corporations Act.

If it is required to do so under sections 662A and 663A of the Corporations Act, the Bidder will give notice to IDO Shareholders offering to acquire their IDO Shares in accordance with sections 662B and 663B of the Corporations Act, respectively.

ASX Listing

At the conclusion of the compulsory acquisition process, the Bidder intends to arrange for IDO to be removed from the Official List of ASX (subject to any required approvals on the part of ASX), thereby eliminating the corporate administration costs associated with maintaining IDO as a listed company.

Directors

The Bidder does not currently intend to remove any current member of the IDO Board.

IDO's business, assets and employees

Following the end of the Offer Period, if the Bidder is entitled to compulsorily acquire outstanding IDO Shares, the Bidder intends as noted above to conduct a review of the operations, assets, liabilities, structure and employees of IDO and in light of that review:

- evaluate IDO's performance, profitability, costs, capabilities and prospects;
- assess potential projects and opportunities, including the advancement of the Kulon Progo iron sand asset; and
- identify areas of cost saving which may provide overall strategic and operational benefit for IDO.

While the Bidder does not currently have any specific intentions in relation to this review or its outcomes and does not currently intend to make any material changes to IDO's business, its current expectation is that the review will focus on identifying the most effective means of

utilising IDO's assets and maximising the investment that the Bidder and its Associates have made in IDO.

The status of IDO's existing employees will be considered as part of the review set out above but, without having conducted this review, the Bidder cannot formulate an intention in relation to employees. Final decisions will only be reached after that review and in light of all material facts and circumstances at the relevant time. The Bidder has no present intentions regarding the retention, or otherwise, of IDO's employees and will not be in a position to form a view until it has conducted the review referred to above.

6.4 Intentions upon acquiring more IDO Shares but less than 90% of IDO Shares

The Bidder's intentions if it (and its Associates) acquires a relevant interest in less than 90% of the IDO Shares are set out below:

ASX Listing

The Bidder considers that there are both advantages and disadvantages of the Bidder continuing to remain listed on the ASX after the close of the Offer. The Bidder intends to request that the IDO Board review the benefits and suitability of IDO remaining listed on ASX after the close of the Offer having regard to the requirements of the Listing Rules and the additional corporate and compliance costs. The Bidder anticipates that the IDO Board's determination will likely depend on a range of factors, including:

- the number of IDO Shares acquired by the Bidder under the Offer;
- the spread (i.e. number) of IDO Shareholders after the Offer closes;
- the level of liquidity of IDO Shares after the Offer closes; and
- the costs of listing and associated compliance.

If the IDO Board were to decide that it is in the best interests of IDO to cease to be listed on ASX, the Bidder would likely support a resolution to delist IDO.

The Bidder is also mindful of the requirement under the Listing Rules for a listed company to maintain a spread of holdings which, in ASX's opinion, is sufficient to ensure that there is an orderly and liquid market in its securities. ASX may suspend or delist a company which does not meet its spread requirements. Depending upon the level of acceptances under the Offer, it is possible that ASX may seek to de-list IDO on this basis. Should ASX seek to do so, the Bidder does not currently intend to oppose such a de-listing.

Intentions regarding privatisation of IDO

If during or after the Offer Period IDO has fewer than 50 IDO Shareholders, the Bidder intends to take steps to cause IDO to convert from a public company to a proprietary company if it is able to do so in accordance with the requirements of the Corporations Act.

Directors

The Bidder does not currently intend to remove any current member of the IDO Board.

Further acquisitions of IDO Shares

The Bidder may acquire additional IDO Shares under the 'creep' provisions set out in the Corporations Act. In summary, those provisions permit the Bidder and its Associates to acquire up to 3% of the IDO Shares every six months. The Bidder has not yet decided whether it will acquire further IDO Shares under the 'creep' provisions in the future, as that will be dependent upon (amongst other things) the extent of the Voting Power of the Bidder and its Associates in IDO and market conditions at the time.

As at the date of this Bidder's Statement, the Bidder has no plan to pursue a further off-market offer in relation to the IDO Shares in the future, but it has not ruled out doing so at its discretion (and therefore reserves the right to do so) including, for example, within six months of the end of the Offer Period.

6.5 Limitations on intentions

If, at the conclusion of the Offer Period, IDO is a controlled entity but is not wholly owned by the Bidder and its Associates, there will be minority IDO Shareholders. In this event, the Bidder expects that any directors appointed by it to the IDO Board will act at all times in accordance with their fiduciary duties and intends that all requisite shareholder approvals and other requirements of law, including the Listing Rules and the Corporations Act, are complied with in pursuing any of the intentions which are referred to in this Section 6.

As a result of complying with these requirements, approval of the minority IDO Shareholders may be required for the implementation of any of the intentions of the Bidder outlined in this Section 6. The requirement for the IDO Board to have regard to their fiduciary duties in the context of a partly owned subsidiary and the possible requirement to seek approval of IDO's minority shareholders may prevent a particular intention from being achieved. However, the Bidder has not currently identified any particular initiative where these considerations may be relevant.

6.6 Continuation of business and assets

Other than as set out in this Section 6, it is the present intention of the Bidder that:

- the operation of IDO will continue as it is currently operating;
- no major changes will be made to the business of IDO nor will any of IDO's fixed assets be redeployed; and
- the employment of IDO's employees will continue.

7 INFORMATION ON IDO SECURITIES

7.1 Capital structure

To the best of the Bidder's knowledge based on information publicly disclosed and according to documents lodged with ASX, IDO, as at the date of this Bidder's Statement, has 538,026,598 fully paid ordinary shares on issue.

7.2 Substantial shareholders of IDO

As at the date of this Bidder's Statement, based on IDO's public disclosures, the following persons and entities were substantial holders of IDO Shares:

IDO Shareholder	Number	Percentage
Bidder and its Associates	307,317,294	57.12
Rockcheck Trading Limited	36,000,000	6.69
Anglo Pacific Group Plc	30,336,835	5.64

7.3 Relevant interest and Voting Power of the Bidder's directors

As at the date of this Bidder's Statement, none of the directors of the Bidder has a relevant interest in any IDO Shares.

As at the date of this Bidder's Statement and immediately before the first Offer was sent, each director of the Bidder had 0% voting power in IDO.

7.4 The Bidder's relevant interest and Voting Power in IDO

As at the date of this Bidder's Statement, the Bidder does not have a relevant interest in any IDO Shares.

As at the date of this Bidder's Statement, the Bidder and its Associates (in aggregate) had Voting Power in 307,317,294 IDO Shares, which represent approximately 57.12% of IDO's current issued share capital.

7.5 Consideration provided for IDO securities during the previous four months

Neither the Bidder nor its Associates has provided or agreed to provide consideration for IDO Shares during the period of four months ending on the day immediately before the date of this Bidder's Statement.

7.6 IDO Share price history

The last price of IDO Shares on ASX on 27 October 2017, being the last day on which IDO Shares were traded on ASX before the Announcement Date, was \$0.018.

The highest and lowest closing price of IDO Shares during the three months immediately before 27 October 2017 were:

- Highest: \$0.018 on 27 October 2017
- Lowest: \$0.008 on 11 September 2017

The average daily trading volume during the three months immediately before 27 October 2017 was approximately 130,080 IDO Shares.

7.7 Inducing benefits given during the previous four months

Other than as set out in Section 7.8, during the period of four months ending on the day immediately before the date of this Bidder's Statement, neither the Bidder nor any of its Associates gave, offered to give, or agreed to give a benefit to another person that is not available under the Offer and was likely to induce the other person, or an associate of the other person, to:

- accept the Offer; or
- dispose of IDO Shares.

7.8 Purchase of debenture

During the financial year ended 30 June 2009, IDO entered into a US\$4 million convertible debenture facility (**IDO Facility**) with Anglo Pacific Group plc (**Anglo Pacific**). The debenture holder is entitled, at its option and at any time, to require IDO to satisfy the repayment of the principal sum of the IDO Facility by converting any outstanding principal to shares at a conversion price of A\$0.50 per share. If the principal amount of the IDO Facility has not been converted into IDO Shares prior to 31 December 2017, then the conversion price will thereafter be equal to 90% of the market price of IDO Shares, subject to a minimum conversion price of A\$0.10 and a maximum conversion price of A\$0.50.

On 9 November 2017, Gladesburg Holding Ltd (a related body corporate of Rajawali) entered into an agreement to purchase the IDO Facility from Anglo Pacific at a discount to face value. Completion of this purchase is due to occur within 10 business days after the end of the Offer Period.

8 FUNDING

8.1 Maximum cash consideration

The consideration for the acquisition of the IDO Shares to which the Offer relates will be satisfied by the payment of cash (in Australian dollars).

As at the date of this Bidder's Statement, there are 538,026,598 IDO Shares on issue, 307,317,294 of which are already held by the Rajawali and its Associates. As at the date of this Bidder's Statement, the Bidder is not aware of any other securities on issue including any outstanding securities convertible into, or rights entitling a person to be issued, IDO Shares other than pursuant to the IDO Facility described in Section 7.8. The Bidder has entered into an agreement to purchase that IDO Facility, and will not be exercising the conversion right before the end of the Offer Period. Consequently, the maximum number of IDO Shares which could be acquired by the Bidder under the Offer is 230,709,304.

Accordingly, the maximum amount of cash which may be required by the Bidder to settle acceptances under the Offer is \$4,614,186.08 (**Maximum Offer Consideration**).

8.2 Overview of funding arrangements

The Offer is not subject to any financing condition.

Rajawali has undertaken to the Bidder to provide, or procure the provision of funds to the Bidder to satisfy the Maximum Offer Consideration and all costs associated with the Offer. That undertaking is not subject to any conditions and no demand for repayment of any funds provided may be made during the period in which the Bidder has an outstanding obligation to make payment under the Offer.

Rajawali will ensure the necessary funds are made available to the Bidder to pay the Offer consideration (and costs associated with the Offer). Whilst Rajawali has not specifically set aside any cash amounts in its own reserves to satisfy the consideration under the Offer, it has ample uncommitted funds available for that purpose.

The funds Rajawali will provide to the Bidder to enable the Bidder to pay the Maximum Offer Consideration and all costs associated with the Offer will be obtained from Rajawali's existing uncommitted cash reserves and invested funds at call. In aggregate, the funds available from such sources materially exceed the Maximum Offer Consideration and all costs associated with the Offer.

The funds available to the Bidder are sufficient to fund the maximum amount of consideration payable under the Offer and all associated transaction costs.

The Bidder is of the opinion that it has a reasonable basis for forming the view, and it holds the view, that it will be able to pay the necessary consideration required for the Offer.

9 TAX CONSIDERATIONS

9.1 Introduction

The following is a general description of the Australian capital gains tax (CGT) consequences for IDO Shareholders in relation to the disposal of their IDO Shares, through acceptance of the Offer, in return for cash consideration. General comments are also provided in relation to stamp duty and Goods and Services Tax (GST).

The following comments apply only to those IDO Shareholders that hold their IDO Shares on capital account. The Australian income tax consequences will differ for those IDO Shareholders who hold their IDO Shares as trading stock, as part of a profit making undertaking or scheme or otherwise on revenue account (for example, share traders, banks and insurance companies).

The following description is based upon Australian taxation law and practice in effect as at the date of this Bidder's Statement. It is not intended to be an authoritative or complete statement of the taxation laws of Australia applicable to the particular circumstances of every IDO Shareholder. This summary is necessarily general in nature and therefore should not be relied upon as advice.

IDO Shareholders should seek independent professional advice regarding the taxation consequences of disposing of IDO Shares relevant to their own particular circumstances.

9.2 Taxation on the disposal of IDO Shares

If you accept the Offer, you will be treated as having disposed of your IDO Shares for income tax purposes.

9.3 Australian resident IDO Shareholders

Acceptance of the Offer will involve the disposal by resident IDO Shareholders of their IDO Shares by way of transfer of their shares and, as such, the disposal will have Australian CGT implications.

Australian resident IDO Shareholders may make a capital gain or capital loss on the sale of their IDO Shares. A capital gain will result where the amount you receive (or that you are entitled to receive) is more than the cost base of those IDO Shares. Alternatively, a capital loss will result where the amount you receive (or that you are entitled to receive) is less than the reduced cost base of those IDO Shares.

Broadly, the cost base of an IDO Share is generally the cost of acquisition or deemed cost of acquisition. Certain other amounts associated with the acquisition and disposal of IDO Shares (such as brokerage or stamp duty) may be added to the cost base. The reduced cost base of an IDO Share is calculated in a similar, but not identical, manner.

Capital gains and capital losses of a taxpayer in a year of income are aggregated to determine whether there is a net capital gain. That amount may be further reduced by any available capital losses of the taxpayer from previous income years (subject to satisfaction of loss recoupment tests) and other concessions (particularly the CGT discount rules (see further below)). If so, that net capital gain after applying any CGT concessions is included in assessable income and subject to Australian income tax.

Capital losses may not be deducted against other income for income tax purposes, but may be offset against current capital gains or carried forward to be offset against future capital gains (subject to satisfaction of loss recoupment tests).

9.3.1 CGT discount

Individuals, complying superannuation funds or trustees of trusts that have held IDO Shares for at least 12 months before accepting the Offer may be entitled to discount the amount of the capital gain (after application of capital losses) from the disposal of IDO Shares.

The CGT discount entitles these IDO Shareholders to reduce their capital gain on the disposal of IDO Shares by 50% in the case of individuals and trustees and by 33.33% by complying superannuation funds. Trustees should seek specific advice regarding the tax consequences of distributions attributable to discounted capital gains. The CGT discount is not available to companies or non-residents.

The CGT discount is not relevant for the purposes of calculating a capital loss.

The above comments do not apply to you if you buy and sell shares in the ordinary course of your business, or if you acquired the shares for resale at a profit. In such cases, any gain will generally be taxed as ordinary income. You should seek your own specific tax advice in such circumstances.

9.4 Non-resident IDO Shareholders

If you are not a resident of Australia for tax purposes, you will generally not have to pay Australian tax on any capital gain when you dispose of your IDO Shares, unless both of the following requirements are satisfied:

- you hold a 'non-portfolio interest' in IDO; and
- the IDO Shares pass the 'principal asset test' at the time of the disposal.

If either element is absent, any capital gain made on the disposal of the IDO Shares should not be subject to income tax in Australia.

You will hold a 'non-portfolio interest' in IDO if you (together with your associates) own, or owned, throughout a 12 month period during the two years preceding the sale of your IDO Shares, 10% or more of (broadly) all of the shares in IDO.

Broadly, the IDO Shares would pass the 'principal asset test' if the market value of IDO's direct and indirect interests in Australian land (including leases and mining rights) is more than the market value of its other assets at the time you accept the Offer.

Detailed calculations are necessary to determine the results of the 'principal asset test'. Based on the Bidder's review of publicly available information on IDO, as at the date of this Bidder's Statement, the Bidder is of the opinion that the IDO Shares would not pass the 'principal asset test'.

If you hold a 'non-portfolio' interest in IDO, you should contact IDO to determine if the IDO Shares would pass the 'principal asset test'.

If you buy and sell shares in the ordinary course of business, or acquired the shares for resale at a profit, any gain could be taxed in Australia as ordinary income and not as a capital gain (subject to any relief under a double tax treaty that Australia has concluded with your country of residence). Again, you should seek your own specific Australian tax advice.

You should also seek advice from your taxation adviser as to the taxation implications of accepting the Offer in your country of residence.

9.4.1 Foreign resident capital gains withholding rules

Broadly, where a foreign resident disposes of certain direct or indirect interests in Australian real property, the purchaser is required to withhold an amount from the purchase price and pay that amount to the Australian Taxation Office. The current rate of withholding is 12.5%¹.

Based on the Bidder's review of publicly available information on IDO, as at the date of this Bidder's Statement, the Bidder is of the opinion that disposal of IDO Shares will not be a disposal of direct or indirect interests in Australian real property and therefore no amount is required to be withheld from the purchase price. For further details, please refer to section 10.5.

9.4.2 Stamp duty

There will be no stamp duty payable by IDO Shareholders on the disposal of their IDO Shares.

9.4.3 GST

There will be no GST payable by IDO Shareholders on the disposal of their IDO Shares other than GST payable to your Broker in respect of brokerage fees charged to you.

IDO Shareholders should seek independent professional advice regarding whether they are able to claim GST credits on expenses associated with the disposal of their IDO Shares.

10 ADDITIONAL INFORMATION

10.1 Potential for waiver of Conditions

The Offer is subject to a number of Conditions, which are set out in full in Section 3.7. Under the terms of the Offer and the Corporations Act, any or all of those Conditions may be waived by the Bidder.

If an event occurs which results (or would result) in the breach or non-fulfilment of a Condition, the Bidder might not make a decision as to whether it will either rely on that occurrence, or instead waive the relevant Condition in respect of that occurrence, until the date for giving notice as to the status of the Conditions of the Offer under section 630(3) of the Corporations Act (see Section 3.8.4). If the Bidder decides that it will waive a Condition it will announce that decision to ASX in accordance with section 650F of the Corporations Act.

If any of the Conditions are breached or not fulfilled, and the Bidder decides to rely on that breach or non-fulfilment, then any contract resulting from acceptance of the Offer will become void at (or, in some cases, shortly after) the end of the Offer Period, and the relevant IDO Shares will be returned to the holder.

10.2 Status and effect of Conditions

This Section 10.2 describes the status of the Conditions of the Offer. As at the date of this Bidder's Statement, the Bidder is not aware of any events or circumstances which would result in the non-fulfilment of any of the Conditions.

In particular, in relation to the Condition in Section 3.7.5, the Bidder is not aware, as at the date of this Bidder's Statement, of any decision, action or investigation which would result in the non-fulfilment of that condition, nor has the Bidder identified, as at the date of this Bidder's Statement, any particular actions which could lead to that condition being triggered or which would be relevant to that condition.

10.3 Broker commission

As at the date of this Bidder's Statement, the Bidder has not made a decision as to whether to offer to pay a commission to brokers who solicit acceptances of the Offer by an IDO Shareholder. However, the Bidder reserves the right to introduce such an arrangement.

10.4 Approvals for payment of consideration

The Bidder is not aware of any IDO Shareholders who require any approval referred to in Section 3.9.6 in order to be entitled to receive any consideration under the Offer.

10.5 Withholding of consideration

Under Australian tax law, a bidder in an off-market takeover bid has an obligation, subject to certain exceptions, to pay an amount equal to 10% of the offer consideration to the Australian Taxation Office (ATO) if the shares acquired from a target shareholder qualify as indirect Australian real property interests and the bidder either:

- a) knows that the target shareholder is a foreign resident; or

- b) reasonably believes that the target shareholder is a foreign resident; or
- c) does not reasonably believe that the target shareholder is an Australian resident and either:
 - i. the target shareholder has an address outside Australia; or
 - ii. the bidder is authorised to make payment of the offer consideration to a place outside Australia (whether to the target shareholder or to anyone else).

If the bidder considers that it has an obligation to make the above payment to the ATO, it may withhold the applicable amount from the consideration to be paid to the relevant target shareholder. Where the bidder pays the withheld amount to the ATO, the bidder will be discharged of any liability to pay that amount of the offer consideration to the target shareholder.

However, in relation to the Offer, based on the Bidder's review of publicly available information on IDO, as at the date of this Bidder's Statement, the Bidder is of the opinion that the IDO Shares are not indirect Australian real property interests. Accordingly, the Bidder does not consider that it has an obligation to make the above payment to the ATO and so will not withhold consideration under Section 3.9.7, in accordance with these tax law changes, any amount from the consideration payable to any IDO Shareholder who accepts the Offer.

10.6 ASIC modifications

The Bidder has not obtained from ASIC any modifications of, or exemptions from, the Corporations Act in relation to the Offer. However, ASIC has published various instruments providing for modifications and exemptions that apply generally to all persons, including the Bidder, in relation to the operation of Chapters 6 and 6A of the Corporations Act, which the Bidder may rely on.

The Bidder has relied on the modification to section 636(3) of the Corporations Act set out in ASIC Class Order 13/521 'Takeover bids' to include references to statements which are made or based on statements made in documents lodged with ASIC and ASX. Pursuant to the Class Order, the consent of the relevant person is not required for the inclusion of such statements in this Bidder's Statement. As required by the Class Order, the Bidder will make available a copy of these documents (or of relevant extracts from these documents), free of charge, to you and other IDO Shareholders who request it during the Offer Period. To obtain a copy of these documents (or relevant extracts), you may call the shareholder information line on 1300 145 325 (callers in Australia) or +61 3 9415 4110 (callers outside Australia) from Monday to Friday between 8.30am and 5.00pm (AEDT).

In addition, as permitted by ASIC Corporations (Consents to Statements) Instrument 2016/72, this Bidder's Statement contains trading data sourced from Bloomberg L.P. without its consent.

10.7 Regulatory and other approvals

There are no regulatory approvals that the Bidder is required to obtain before acquiring IDO Shares under the Offer.

10.8 No escalation agreements

Neither the Bidder nor any of its Associates has entered into any escalation agreement in respect of IDO Shares that is prohibited by section 622 of the Corporations Act.

10.9 Disclaimers and Consents

No person who has made any of these statements has consented to the statement being included in or accompanying this Bidder's Statement in the form in which it is included. Under the terms of ASIC Class Order 13/521, the parties making those statements are not required to consent to the inclusion of those statements in this Bidder's Statement. ASX ANNOUNCEMENT

PT SURYA LANGGENG UTAMA ANNOUNCES TAKEOVER OFFER FOR INDO MINES LIMITED

PT Surya Langgeng Utama (**Bidder**), a wholly owned subsidiary of PT Rajawali Corpora, which is known as Rajawali Group, (**Rajawali**), today announced its intention to make an all cash off-market takeover offer of \$0.02 per share for all the issued shares in Indo Mines Limited ACN 009 245 210 (**IDO**) (**IDO Shares**) which are not already owned by Rajawali and its associates (**Offer**). As at the date of this announcement, Rajawali, through its associates, holds 57.12% of the IDO Shares on issue.

The Bidder believes the Offer is highly compelling for IDO shareholders:

- accepting the Offer enables IDO shareholders to realise certain and immediate value for IDO Shares through 100% cash consideration (subject to the Offer conditions being satisfied or waived);
- there is very limited trading in IDO Shares, meaning that this Offer is a rare opportunity and potential liquidity event for IDO shareholders who wish to exit their investment;
- this Offer from the Bidder is the only offer currently available to IDO shareholders, and given the relevant interests of Rajawali and its associates in IDO, there are limited prospects of any competing proposal emerging and trading may be even less liquid following the Offer, if the Bidder increases its shareholding in IDO through the Offer; and
- the Offer removes any risks and uncertainties that could otherwise affect the future value of IDO Shares.

Offer conditions

The Offer is subject to the following conditions:

- the Bidder (and its associates) acquiring a relevant interest in at least 90% of IDO Shares;
- no prescribed occurrences occurring in relation to IDO;
- no actions affecting the business of IDO being undertaken by, or occurring in relation to, IDO; and
- no litigation being threatened or commencing against IDO.

The full text of these conditions is set out in the Schedule.

It is important that IDO shareholders have a clear understanding of the Bidder's intentions in making their decision on whether or not to accept the Offer. This includes understanding that the Bidder intends to:

- proceed to compulsory acquisition if it is entitled to do so; and
- cause IDO to delist if it is able to do so.

In relation to the latter, it is the Bidder's intention to cause the delisting of IDO whether that is a result of being in a position to proceed with the compulsory acquisition, or, in accordance with the ASX guidance after the Offer period has ended, should the threshold number of remaining shareholders for delisting be met. As such, whilst the Bidder reserves all of its rights to waive the 90% condition pursuant to the *Corporations Act 2001* (Cth) (**Corporations Act**), if the threshold number of remaining shareholders for delisting is met during the Offer Period, the Bidder's current intention would be to waive this condition.

Offer funding

The Bidder will fund the Offer through existing cash at hand (and capital provided under capital commitments from the members of the Bidder group to the extent necessary).

Indicative timing

The Bidder's statement for the Offer is expected to be lodged with ASIC within two weeks and will be sent to IDO shareholders as soon as practicable after that time.

IDO Shares

The IDO Shares the subject of the Offer are fully paid ordinary shares in the capital of IDO which are on issue on the date of the bidder's statement.

Immediately before making this announcement:

- so far as the Bidder is aware, there are 538,026,598 IDO Shares on issue, all of which are quoted on ASX;
- the Bidder does not have a relevant interest in any IDO Shares but its associates (in aggregate) had a relevant interest in 307,317,294 IDO Shares, which represent approximately 57.12% of the current issued share capital of IDO; and
- the Bidder, through its associates, had voting power in approximately 57.12% of the current issued share capital of IDO.

PURCHASE OF DEBENTURE

Separately, on 9 November 2017, Gladesburg Holding Ltd (a related body corporate of Rajawali) entered into an agreement to purchase from Anglo Pacific a US\$4 million convertible debenture facility with IDO at a discount to face value. Completion of this purchase is due to occur within 10 business days after the end of the Offer period.
