A large, dense crowd of people is shown from a low angle, looking up. Many hands are raised in the air, some holding smartphones to take photos or videos. The scene is filled with a spray of water, likely from a fountain or shower, creating a misty, celebratory atmosphere. The background is slightly blurred, showing greenery and a blue structure.

# SWM App Powered by CrowdSpark

Client Momentum

Seven Network - Australia's most-watched television platform – is focused on delivering the biggest sports events to all Australians including:

- 2017 Sydney to Hobart Yacht Race
- 2018 Australian Open
- XXIII Olympic Winter Games 2018
- 2018 Commonwealth Games

Seven West Media is to release a free 7branded Native Mobile App powered by CrowdSpark which will capture UGC video submissions around these major sporting events from December 2018 through April 2018 and beyond

This UGC will be published and monetized through the SWM digital network and properties

# UGC is Key to Engagement

User-Generated Content

✦ 93% of consumers find UGC to be helpful when making a purchasing decision.

✦ Brand engagement increases an average of 28% when users are exposed to a combination of user created product videos and professional content.

✦ UGC is 20% more influential than any other type of media when it comes to influencing Millennial purchases.

✦ UGC results in 29% higher web conversions than campaigns or websites without it.

# CrowdSpark's Model

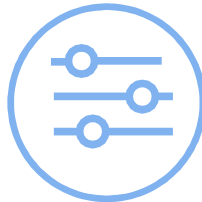

Platform

**Enables clients to master user-generated content at scale.**

## Gather

Gather more content from multiple sources, more devices, and more people.

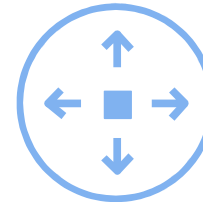

## Curate

Moderate and manage social content at scale.

## Publish

Share your content on multiple channels with ease and flexibility.

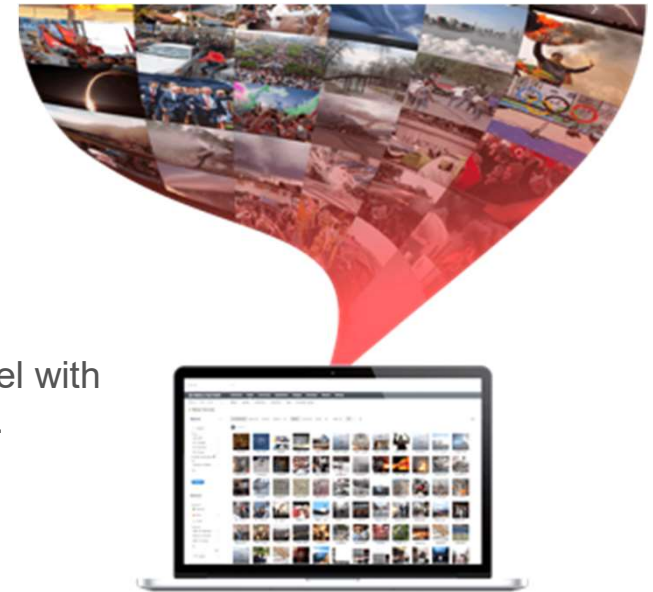

## Engage

Engage your audience with social activities that increase traffic and drive interaction on your site.

# Our Value Proposition

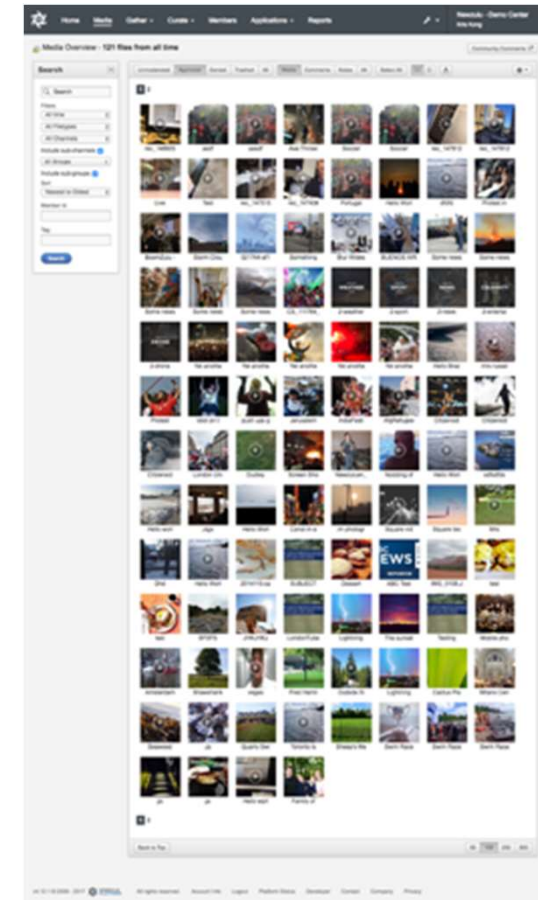

Platform

- ✦ Connect and engage customers on a deeper emotional level with relevant, authentic, constantly refreshing content they trust.
- ✦ Own and manage your content, data, and customer relationships efficiently and cost effectively.
- ✦ Grow community and welcome customers to join a brand's story by encouraging them to share their photos and videos.
- ✦ Leverage user-generated content to showcase product offerings.
- ✦ Integrate content into marketing campaigns and run contests
- ✦ Create and maintain an innovative brand identity and build connections.

# Platform Features

- 🔥 Direct UGC
- 🔥 Social Hub
- 🔥 APIs/SDK/Mobile Apps
- 🔥 Reporter Kit
- 🔥 Notification Center
- 🔥 Live Suite
- 🔥 Community/Contests

# The Weather Network

## Challenge:

Build a community of weather enthusiasts who share photos and videos from all over the world.

## Solution:

CrowdSpark's platform provides APIs, Upload Widgets, and Workflow to power this user-generated community on TWN's website and mobile apps.

## Results:

- 🔥 Over 1 million users in TWN's UGC community.
- 🔥 UGC is now the main converter for new registrations.

# ITV

## Challenge:

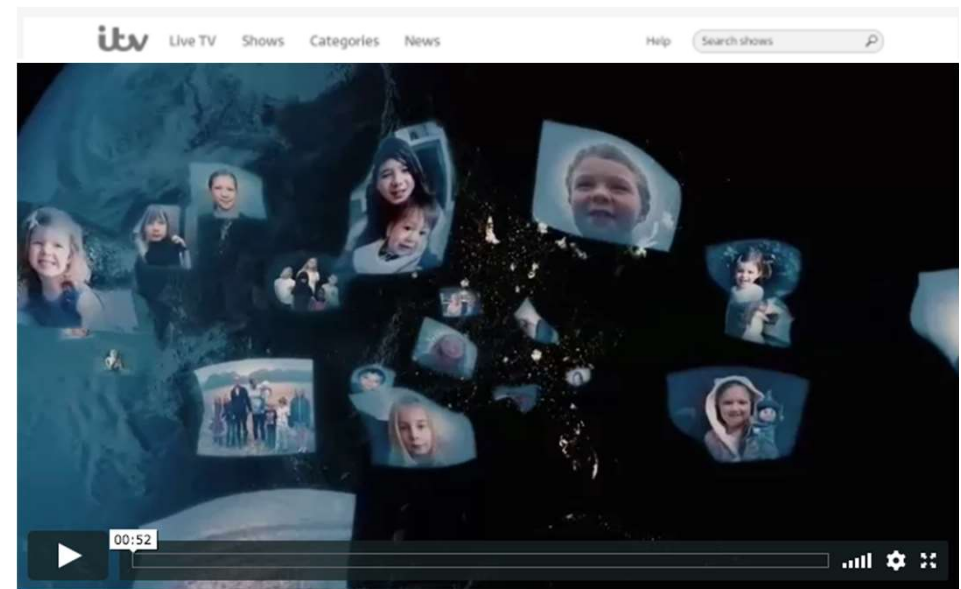

Engage ITV's audience to submit video content for ITV productions.

## Solution:

CrowdSpark's platform is used to gather videos from ITV's audience for various TV productions. ITV drives its audience to a CrowdSpark responsive upload widget for users to upload video. Using the CrowdSpark Platform, ITV then selects the videos it wants and pushes them to various downstream systems for post-production and broadcast using the Workflow feature within the Platform.

## Results:

- 🔥 Over 500,000 ITV members.
- 🔥 The ITV production team selected video content to include in their TV productions and for related purposes.

- 🔥 Featured as a partner on the AP Video Hub

# Coming Soon

Content

New Content contributor app (iOS and Android) and desktop site built on the CrowdSpark Platform.

News Calls and enhanced editorial workflow including verification and partner send.

Artificial intelligence (AI) built into the CrowdSpark Platform:

- ✦ Auto identify: nudity, objects, emotions, celebrities, location
- ✦ For our content verification
- ✦ As value add to clients
  - ✦ For Moderation
  - ✦ For analytics to better understand user and content connections

To accelerate Content and Platform revenue growth.

# Associated Press

## Challenge:

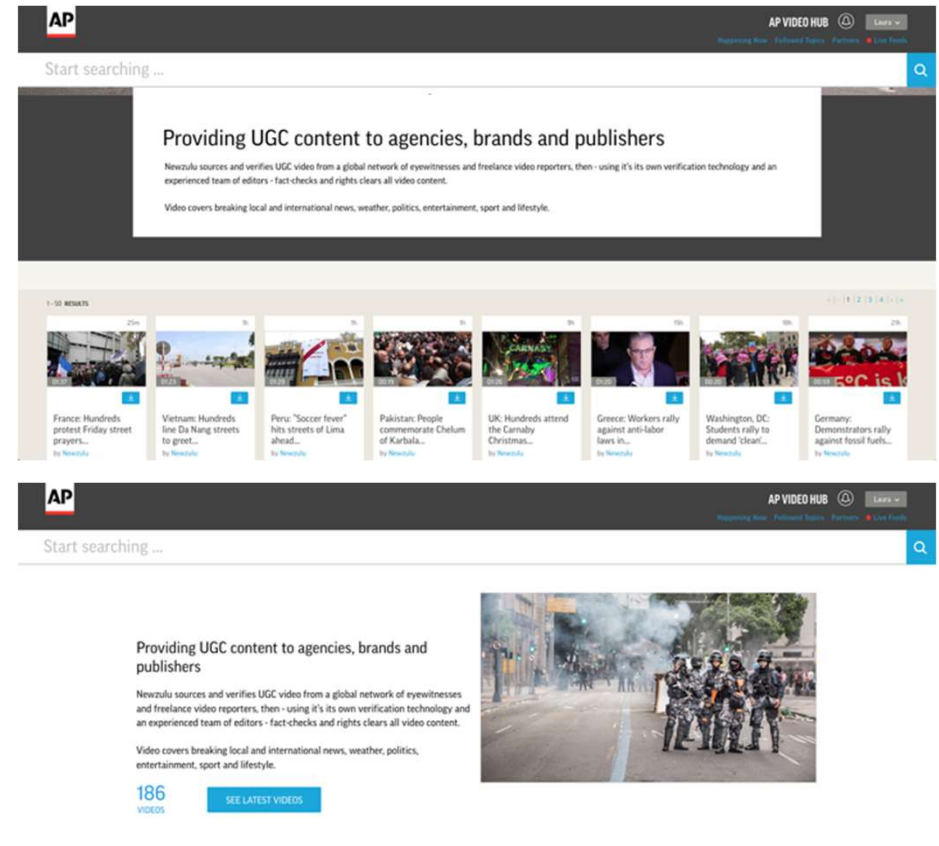

Increase AP's user-generated content collection as well as diversify the video selection available to their clients.

## Solution:

CrowdSpark provides verified, ready-to-use user-generated news content.

## Results:

- 🔥 Content is now available on both AP Video Hub and AP Archive.
- 🔥 A collection of over 4,600 user-generated videos are available to AP clients worldwide.
