

NUHEARA ACHIEVES MULTIPLE ASIAN CERTIFICATIONS FOR IQbuds™

HIGHLIGHTS

- ❖ Nuheara achieves certifications for IQbuds™ to be sold and used (telecommunications approval) in multiple Asian countries
- ❖ Newly certified countries include China, Japan, Russia, Taiwan, Hong Kong and Singapore
- ❖ Certifications have also now been achieved for previously announced retail expansion countries of Saudi Arabia, UAE and Mexico

PERTH, Western Australia - Nuheara Limited ("**Company**" or "**Nuheara**") is pleased to announce that IQbuds™ have received multiple Asian certifications from country specific regulatory bodies. These certifications allow Nuheara IQbuds™ to be sold and used, with telecommunications approval, in the following countries:

Country	Certification/Body
China	SRRC
Japan	TRCC
Russia	EAC & FCA
Taiwan	NCC
Hong Kong	OFTA
Singapore	IMDA

The Company is also pleased to advise that certifications have also now been achieved for previously announced retail expansion countries including:

Country	Certification/Body
Saudi Arabia	CITC
UAE	TRA
Mexico	IFETEL

Commenting on the most recent certifications Nuheara CEO, Justin Miller, said “It was less than 12 months ago that we shipped our first ever IQbuds™ product to Australia customers. Today, with these most recent certifications, IQbuds™ are now registered for sale and use, in most major markets around the world, including North America, Europe, the Middle East and Asia. The Company is very proud of the solid global business foundations it has now built; in what can only be described as a very short space of time. We subsequently look forward to continuing our retail expansion across all these markets, with our world leading products that remain uniquely focused on hearing intelligence.”

About Nuheara

Nuheara is an innovative audio wearables company that has developed proprietary and multi-functional intelligent hearing technology that augments a person's hearing and facilitates cable free connection to smart devices. Nuheara is based in Perth, Australia and has offices in San Francisco and New York, USA. Nuheara was the first consumer wearables technology company to be listed on the Australian Stock Exchange (ASX).

In 2016, the Company released its revolutionary wireless earbuds, IQbuds™, which allow consumers to augment their hearing according to their personal hearing preferences and connect hands free with their voice-enabled smart devices. IQbuds™ are now sold in major consumer electronics retailers and professional hearing clinics around the world. The Company's mission is to improve people's lives by allowing them to seamlessly listen, communicate, and connect to their physical and digital worlds. Learn more about Nuheara: www.nuheara.com.
