EXTENSION OF VOLUNTARY SUSPENSION

On 6 December 2017 Mobilarm Limited requested a voluntary suspension of its shares until 13 December 2017 pending the release of an announcement of a material transaction.

Regulatory approval delays have resulted in the need to extend the suspension in trading in the Company's shares until 20 December 2017.

Mobilarm is not aware of any reason why the suspension extension should not be granted.
