TV2U - LEMMON ID BUSINESS UPDATE

The Board of Directors of TV2U International Limited (ASX TV2: “TV2U”) advise that as a result of the successful streaming of the Soundbox event from Indonesia on behalf of Lemmon id previously announced on November 9, 2017, TV2U and Lemmon id have agreed terms for a longer-term contract for the streaming of national and international music ‘experiences’.

The Soundbox event enabled TV2U to demonstrate the power of its IVAN-X platform under extreme conditions for the delivery of archived on-demand and Live content.

The parties believe IVAN-X is the perfect platform to stream Lemmon id events going forward and have agreed terms where the revenue generated from any Lemmon id events from subscription, pay per view and advertising will be split.

Nick Fitzgerald TV2U’s CEO advised “*Lemmy Ibrahim founder of Lemmon id (on the right) is currently with ‘Gun N’ Roses’ guitar legend Ron ‘Bumblefoot’ Thai and sent this picture as a souvenir of the negotiations with TV2U. Bimo Adi Prakoso (on the left) looks after our operations in Indonesia.*”

As always with TV2U nothing is that simple the first gig under the agreed terms is the Bali New Year rave assuming that the current erupting Mount Agung volcano subsides which by all accounts it will. If any of our followers are in Bali for new year it would be good to see you at the event and watching TV2U in action.”
