

18 December 2017

## **Addendum to Announcement released 6 December 2017**

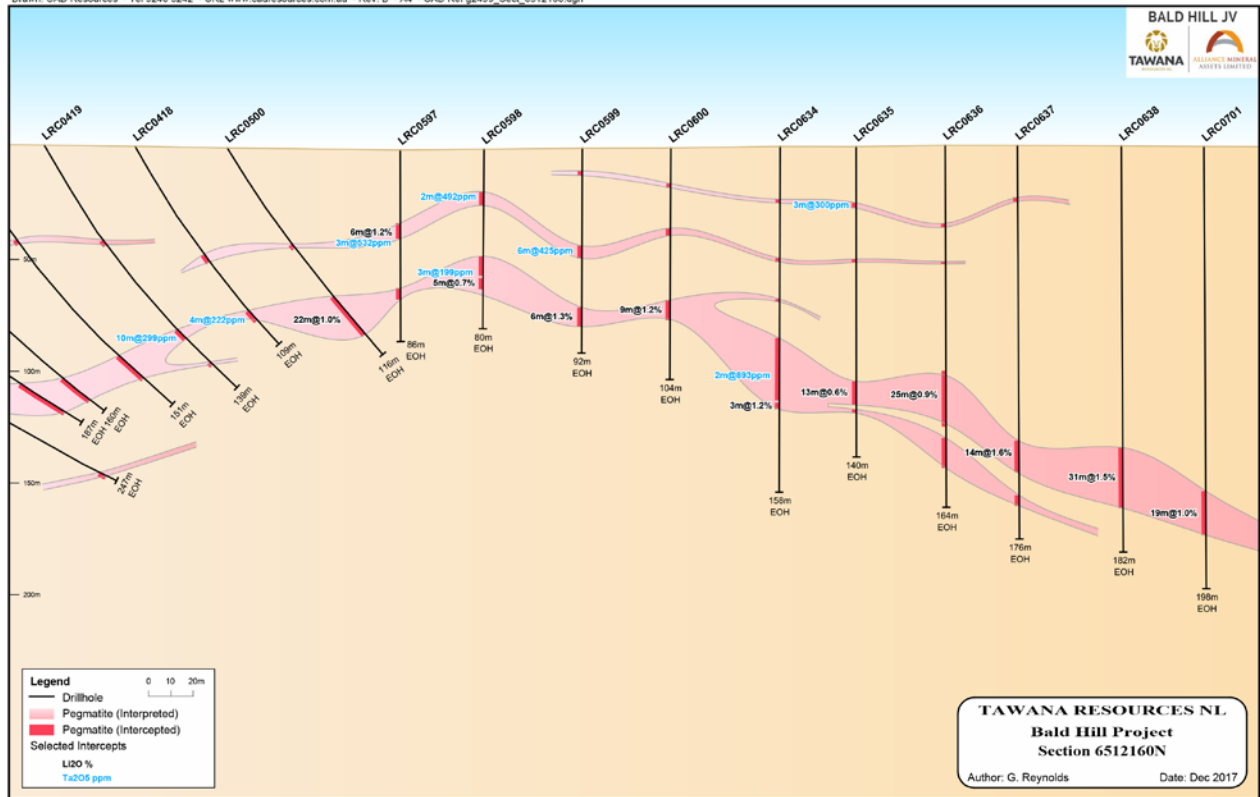

**Tawana Resources NL (TAW:ASX) (Tawana)** and **Alliance Mineral Assets Limited (SGX:AMA) (AMAL)** refer to the announcement titled “*Significant Exploration Results Continue at Bald Hill*” released on 6 December 2017 (the “**Announcement**”). Tawana and AMAL wish to advise that for completeness, sectional views of the significant drill holes, representing the geological context for the drill results referred to in the Announcement, is attached herein as Appendix A.

The Mineralised Pegmatites Plan View at Figure 1 in the Announcement has been updated accordingly to indicate where the sectional views occur and is also attached herein as Appendix B.

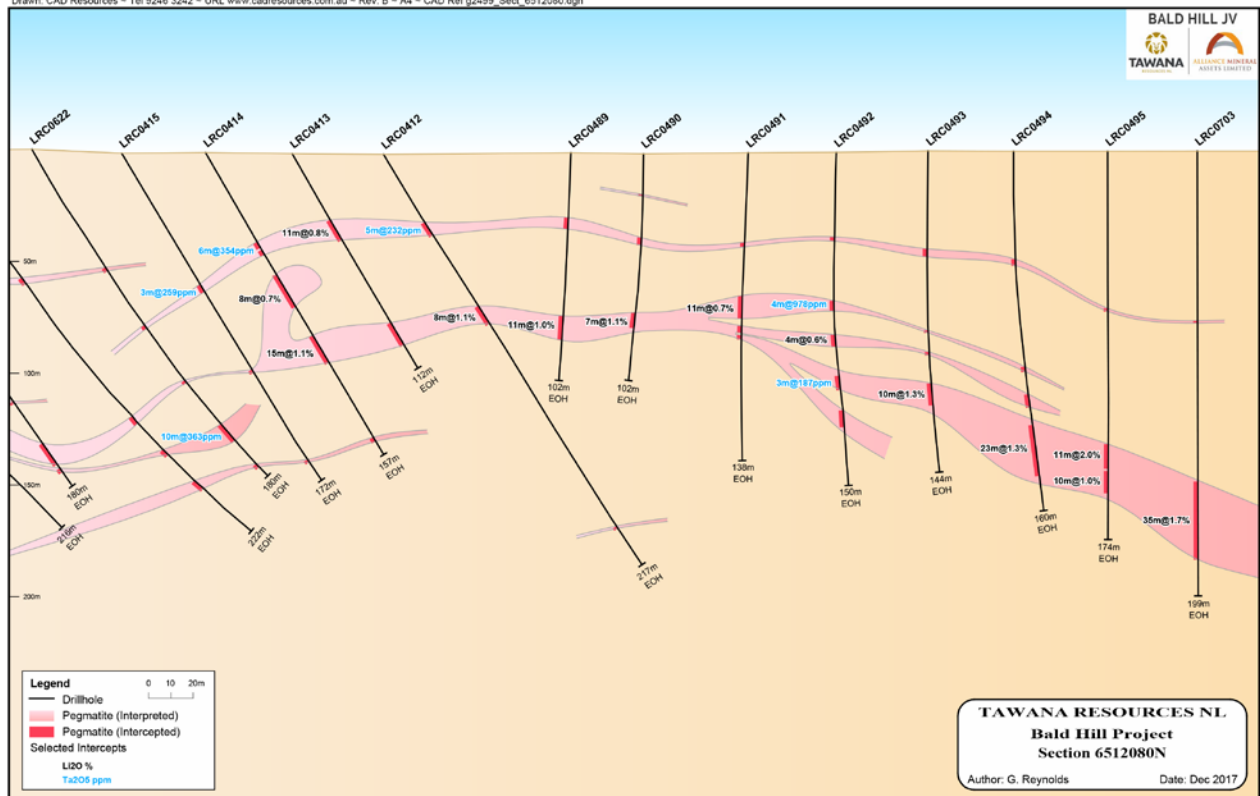

The information herein should be read in conjunction with the Announcement.

## Appendix A - Selected cross sections of recent drilling at Bald Hill
