

## ASX RELEASE

### Agreement with CUA Health Ltd

**SYDNEY, 21 December, 2017**, Flamingo AI Limited (“Flamingo” or “the Company”) (ASX: FGO), Artificial Intelligence company and provider of Cognitive Virtual Assistant technology, is pleased to announce that it has signed a binding commercial term sheet with CUA Health Ltd, a subsidiary of Credit Union Australia, (“CUA”) for a paid trial of Flamingo’s Cognitive Virtual Sales Assistant, ROSIE.

The trial is expected to run for 3 months in live evaluation mode where CUA’s customers, CUA Health members, will interact with the Virtual Assistant.

Flamingo’s CEO, Dr Catriona Wallace, stated, “We are extremely pleased to be working with CUA Health on the deployment of a Virtual Assistant to support their customers purchasing Health Insurance. We believe that AI and Machine Learning technology such as Flamingo provides will be very relevant to the health insurance sector.”

Richard Martin, National Sales & Marketing Manager, CUA Health, stated, “This is an exciting collaboration opportunity that has arisen from our sponsorship of the Stone & Chalk fintech hub. We’re keen to test what opportunities there are for this technology to supplement our personalised interactions with members, potentially managing many of the most common health insurance inquiries coming in through our digital sales channels.”
